GENESIS

INTRODUCTION

He who whets his steel, whets his courage. The CRPF Academy is mandated with task of imparting basic training to the Directly Appointed Gazetted Officers of the World's largest central armed police Force.

The CRPF Academy is a melting pot of paramilitary tradition and sensitive policing where the trainee officers undergo 52 weeks of intense, gruelling training. CRPF Academy is an epitome for nurturing ethical conduct, patriotism, selfless service and respect for national values. The academy motto is **"Tejasvi Naavdheetmastu"** adopted from Taitriya Upanishad which means **'Let Brilliance Emerge from Our endeavors.'**

THE BEGINNING

CRPF Academy Kadarpur, Gurugram came into existence on 23rd March 2002 when the foundation stone for the Academy was laid by the then Hon'ble Deputy Prime Minister and Home Minister Shri L.K. Adwani. It was beginning of a new era in training management in CRPF. The Academy with some temporary structure started functioning from 18th October 2005 when 37th batch of 137 officers joined the Academy for training. The campus is spread over 308 acres and is situated in the foothills of Aravallis. Prior to Gurugram, Basic training was held at ISA Mount Abu since 1976 and before 1976 at CTC Neemuch.

CLIMATE

The climate of Gurugram is akin to that of Delhi. The summers are very hot and winters are very cold. The temperature ranges from 45 degrees Celsius in the summer to 4 degrees Celsius in winters. The winters are marked by mist and fog in the morning. The cold wave from Himalayan region makes winter very chilly. The average rainfall is 553 mm.

MOVEMENT TO THE ACADEMY

The Academy is located near sector 56, Gurugram, Haryana next to village Kadarpur.

Approach Road | The Academy can be accessed through NH-08 on Sohna Road about 35 Kms south east of Indira Gandhi International Airport.

Railway Station | The nearest Railway Station is Gurugram at a distance of about 20 kms on Delhi-Jaipur broad gauge railway line.

Inter-State Bus Terminal | The nearest ISBT is Gurugram located on NH-08 i.e. Delhi-Jaipur Highway and is approx 18 Kms from CRPF Academy.

FOOTPRINTS IN THE SANDS OF TIME

Post Kargil War, CRPF was designated as the **Principal Lead Force** in **Counter Insurgency Operations** in the country. This led to vast expansion in the strength of the Force and manifold increase in intake of direct officers. It became difficult to accommodate such big batches at ISA and consequently the basic training of DAGOs was shifted to CRPF Academy, Kadarpur, Gurugram.
