Message

Since its inception, RCWA is making earnest efforts to provide common platform for the wives of the CRPF personnel to share their views, grievances and innovative ideas so that suitable/remedial steps may be taken to address their grievances in an effective manner. The objective of the RCWA is upliftment of the families of the men by inculcating the traditional skills and entrepreneurship by providing professional knowledge and skills to have additional source of income for the family and to provide them social and financial empowerment.

RCWA, Srinagar had made lot of efforts to organize various educational events/vocational training and health programmes time to time to educate and prepare the families for future avenues and children for their future career, despite all odds due to highly volatile situation in Srinagar.

This is the Pioneer E-Magazine launched by RCWA, Srinagar named "PAHAL". I appreciate the commendable efforts put in by Smt. Aarti Doomra, Vice President, RCWA, Srinagar and all the members.

I wish to extend my sincere greetings and best wishes to RCWA, Srinagar and fully convinced that this dynamic team will continue and further explore the welfare activities and accomplish it with full vigour.

Wishing the RCWA family a bright future ahead.
