महानिदेशक का संदेश

प्रिय साथियों,

देश के सबसे बड़े अर्द्धसैनिक बल- केन्द्रीय रिजर्व पुलिस बल का कार्यभार मैंने श्री प्रकाश मिश्र से 29 फरवरी 2016 को ग्रहण किया। इस विशाल बल का नेतृत्व करते हुए मुझे अपार हर्ष एवं गर्व हो रहा है। इस बल के सदस्यों ने कठिन और चुनौतीपूर्ण परिस्थितियों में भी अपने कर्तव्यों के निर्वहन में अद्भुत साहस, उत्कृष्ट शौर्य और पूर्ण समर्पण की भावना प्रदर्शित की है।

के.रि.पु.बल आंतरिक सुरक्षा का प्रमुख स्तम्भ रहा है। इस वक्त इस बल के सम्मुख सबसे बड़ी चुनौती वामपंथी तत्वों से निपटना है, जो एक मकड़ी के जाल की तरह अपनी पकड़ विभिन्न राज्यों में मजबूत करना चाहते हैं। लेकिन के.रि.पु.बल ने ऐसी कई चुनौतियों से जूझकर सफलता हासिल की है। इस कठिन चुनौती से निपटने के लिए हम पूरी तरह तैयार हैं। जम्मू-कश्मीर राज्य एवं पूर्वोत्तर राज्यों में भी के.रि.पु.बल की भारी तैनाती है एवं यह बल इन प्रदेशों में पुलिस को शांति व्यवस्था बनाये रखने में हर संभव सहायता कर रहा है। इसी प्रकार भारत के बाकी प्रदेश भी जरूरत पड़ने पर इसी बल की तैनाती की माँग करते हैं। यह बल दिन-रात देश के दूर-दराज क्षेत्रों में अपनी मुस्तैदी और मजबूत इरादों से देश की अखंडता को बनाए रखने में महत्वपूर्ण योगदान दे रहा है।

केन्द्रीय रिजर्व पुलिस बल की सर्वोच्च बलिदान की एक समृद्ध परम्परा रही है, जिसे इतिहास के पन्नों पर सुनहरे अक्षरों में लिखा गया है। प्रारम्भ से ही इस बल ने वीरता के अनेकों कीर्तिमान स्थापित किए हैं, जो बल के जवानों के लिए प्रेरणा के स्रोत हैं। वर्ष 2015 में अपने साहस और शौर्य के लिए केन्द्रीय रिजर्व पुलिस बल के अधिकारियों एवं जवानों को 101 वीरता पदकों से अलंकृत किया गया और के.रि.पु.बल एक कैलेण्डर वर्ष में सबसे अधिक वीरता पदक प्राप्त करने वाला देश का पहला पुलिस बल बनने का गौरव हासिल किया। मैं उम्मीद करता हूँ कि हम इस वर्ष भी इस परम्परा को कायम रखेंगे। वर्ष 2016 में अब तक बल के 830 अधिकारियों एवं जवानों को उनके उत्कृष्ट कार्य के लिए महानिदेशक डिस्क एवं प्रशंसा-पत्र से सम्मानित किया गया है।

इसमें कोई संदेह नहीं है कि केन्द्रीय रिजर्व पुलिस बल के अधिकारियों एवं जवानों ने अपनी वीरता और साहस से परिचालनिक

क्षेत्र में असीम सफलताएं प्राप्त की हैं, लेकिन और अधिक सफलताएं प्राप्त करने हेतु हमें अपनी पिछले अनुभवों से सीखते हुए अधिक सुनियोजित योजनाएं बनाने एवं उन पर सही ढंग से अमल करने की जरूरत है। इसके लिए जवानों को नये और आधुनिक तरीकों से प्रशिक्षित किया जा रहा है ताकि वे देश की आंतरिक सुरक्षा की बदलती परिस्थितियों के अनुरूप अपने को ढाल कर कारगर ढंग से कर्तव्य निभा सकें।

भारत सरकार ने बल में महिलाओं की भागीदारी बढ़ाने पर जोर दिया है और उसके इस निर्णय को लागू करने के लिए क्रमबद्ध तरीके से कार्रवाई की जा रही है। वर्तमान में के.रि.पु.बल में 05 महिला बटालियन हैं और इन्हें बढ़ाने का सतत प्रयास जारी है।

हमारी कोशिश है कि जवानों के कल्याण के लिए और अधिक बेहतर सुविधाएं दी जाएं ताकि वे चिंतामुक्त होकर अपनी ड्यूटी भली प्रकार से कर सकें। अनुग्रह अनुदान राशि को बढ़ाने के लिए केन्द्र सरकार से अनुरोध किया गया है। जवानों की इच्छा के अनुरूप उनके स्थानांतरण के प्रयास किए जा रहे हैं और यह भी प्रयास किए जा रहे हैं कि कठिन एवं शान्त क्षेत्रों की तैनाती नियमानुसार सुनिश्चित हो सके। जवानों एवं उनके परिवारों की चिकित्सा के लिए अस्पतालों में बेहतर संसाधन उपलब्ध कराए जा रहे हैं। सभी जवानों को रहने की सुविधा प्रदान करने के लिए आवास एवं बैरकों का निर्माण किया जा रहा है।

केन्द्रीय रिजर्व पुलिस बल में खेल-कूद को बढ़ावा देने के लिए केन्द्रीय खेल-कूद टीम के प्रबंधक एवं प्रशिक्षक बल के विभिन्न प्रशिक्षण संस्थानों में जाकर प्रतिभावान् खिलाड़ियों का चयन कर रहे हैं। जोन, सेक्टर एवं बटालियन स्तरों पर भी विभिन्न खेलों की प्रतियोगिताएं आयोजित की जा रही हैं।

मुख्य संरक्षक के रूप में मेरी तरफ से जारी के.रि.पु.बल समाचार का यह पहला अंक है। मुझे यह जानकर अत्यन्त प्रसन्नता हो रही है, कि सी.आर.पी.एफ. समाचार के इस अंक में केन्द्रीय रिजर्व पुलिस बल से संबंधित समाचार, गतिविधियों और क्रियाकलापों के बारे में महत्वपूर्ण जानकारी समाविष्ट है। इसमें फील्ड यूनिटों के द्वारा किये गए सराहनीय कार्यों का भी वर्णन है, जो अन्य स्थापनाओं के लिए अनुकरणीय एवं ज्ञानवर्द्धक सिद्ध होगा। मैं आश्वस्त हूँ कि, सी.आर.पी.एफ. समाचार में समाविष्ट जानकारी से बल के कार्मिक लगातार लाभान्वित होंगे।

शुभकामनाओं सहित।

जय हिन्द

(के. दुर्गा प्रसाद)

महानिदेशक, सी.आर.पी.एफ.

श्री प्रकाश मिश्र, महानिदेशक का विदाई समारोह

गुप केन्द्र, केरिपुबल, कादरपुर (गुड़गाँव) में दिनांक 29 फरवरी 2016 को श्री प्रकाश मिश्र, महानिदेशक, केरिपुबल की विदाई परेड का आयोजन किया गया। भव्य मार्च पास्ट में महिला, द्रुत कार्य बल और कोबरा सहित आठ सैनिक टुकड़ियों ने भाग लिया। परेड के पश्चात केरिपुबल के महिला वीरांगनाओं द्वारा मोटरसाइकिल पर शानदार करतब, नया कीर्तिमान स्थापित करने वाला बिगुल शो और बैंड की प्रस्तुति की गई।

श्री प्रकाश मिश्र के कार्यकाल के दौरान, वर्ष-2015 में केरिपुबल के अधिकारियों एवं कार्मिकों को 101 वीरता पदक से सम्मानित किया गया जो केरिपुबल के इतिहास में एक साल में प्राप्त सबसे अधिक वीरता पदक हैं। इस अवधि के दौरान केरिपुबल के केवल 11 जवान शहीद हुए जबकि 112 नक्सली एवं आतंकवादी मारे गए। केरिपुबल के 30 वर्ष के इतिहास में ऐसा पहली बार हुआ है कि दुश्मनों के अनुपात में हमारी सबसे कम क्षति हुई है।

श्री प्रकाश मिश्र के नेतृत्व में सुकमा, बीजापुर, तुलसी डोंगरी, छत्तीसगढ़ के पश्चिम क्षेत्र और बूढ़ा पहाड़ एवं झारखंड के कुमारडीह और सारंडा के

जंगलों में माओवादी प्रभुत्व वाले प्रमुख क्षेत्रों में केरिपुबल द्वारा बृहत पैमाने पर अभियान चलाया गया। चिंतलनार, बासगुड़ा, चिंतागुफा और भेजी

(छत्तीसगढ़) में ऑपरेशन के दौरान घायल जवानों को आपातकालीन चिकित्सा सेवा उपलब्ध कराने के लिए 04 फील्ड अस्पतालों का निर्माण किया गया।

परेड प्रस्तुति

कारवाई में मारे गए कार्मिकों के परिवारों को 15 लाख रुपये एवं सक्रिय ड्यूटी/ दुर्घटना/सेरेब्रल मलेरिया के कारण मृत्यु होने पर 10 लाख रुपये अनुग्रह राशि के रूप में दिया जा रहा है। सामान्य मृत्यु, आत्महत्या और अन्य मृत्यु के मामले में वर्तमान जोखिम निधि राशि दर 10 लाख रुपये से बढ़ाकर 12 लाख रुपये (7 लाख रुपये पत्नी/निकट संबंधी को और 5 लाख रुपये माता-पिता को) कर दिया गया है।

इस अवधि के दौरान केरिपुबल ने खेलों में अन्तर्राष्ट्रीय स्तर पर 26 स्वर्ण, 11 रजत और 5 कांस्य पदक और राष्ट्रीय स्तर पर 13 स्वर्ण 06 रजत और 24 कांस्य पदक प्राप्त किये। केरिपुबल के कार्मिकों ने अखिल भारतीय पुलिस खेलों में 57 स्वर्ण, 72 रजत और 65 कांस्य पदक प्राप्त किये।

इस अवसर पर बोलते हुए श्री प्रकाश मिश्र, महानिदेशक, केरिपुबल ने कहा कि उन्होंने अपने जवानों

और अधिकारियों को लगातार श्रेष्ठ प्रदर्शन करते देखा है जो हमारे बल के सशक्त स्तम्भ हैं। उन्होंने कहा कि माओवादियों के पशुपति से तिरुपति तक के 'रेड कॉरिडोर' के दिवा-स्वप्न को सीआरपीएफ ने ध्वस्त कर दिया है और वर्तमान में माओवाद का मुख्य दायरा छत्तीसगढ़, झारखण्ड एवं बिहार के कुछ इलाकों तक ही सीमित रह गया है। हमारे जवानों की बहादुरी वास्तव में प्रशंसनीय है। विगत वर्ष 2014-15 में कई राज्यों में हुए

वीरांगनाओं के अद्भुत करतब

विधान सभा चुनाव को निष्पक्ष रूप से सम्पन्न करने में बल के अधिकारियों एवं जवानों ने बड़े साहस एवं धैर्य के साथ अपने कर्तव्य का निर्वहन किया है, जिसकी प्रत्येक स्तर पर भूरि-भूरि प्रशंसा की गई। इस महान बल का

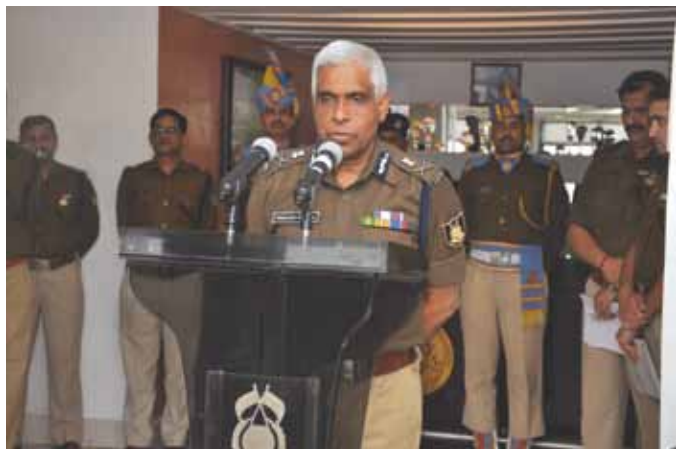

विस्तार अब भी जारी है और इसी क्रम में वर्ष 2016-17 के दौरान 03 नई एक्जिक्यूटिव बटालियन, एक नई महिला बटालियन, एक नये ग्रुप केन्द्र एवं एक नये रेंज मुख्यालय को स्थापित करने की मंजूरी भी मिल चुकी है।

इससे पूर्व महानिदेशक, केरिपुबल ने शहीद स्मारक पर श्रद्धांजलि अर्पित की। श्री दुर्गा प्रसाद, विशेष महानिदेशक, केरिपुबल ने उन्हें स्मृति चिन्ह भेंट किया।

कार्यालय में अंतिम क्षण

सलामी गारद एवं विदाई

रात्रि भोज

बिगुल वादकों का नया रिकॉर्ड

ग्रुप केन्द्र, केरिपुबल, कादरपुर (गुड़गाँव) में 29.02.2016 को श्री प्रकाश मिश्र, महानिदेशक, केरिपुबल की विदाई परेड समारोह में नया कीर्तिमान स्थापित करने वाला बिगुल शो प्रस्तुत किया गया। इसमें 172 पुरुष एवं 08 महिला बिगुल वादकों ने भाग लिया। उन्होंने बिना रुके लगातार 12 मिनट 35 सेकेण्ड तक बिगुल बजाकर अपने ही बनाए

गये पुराने कीर्तिमान 10 मिनट 15 सेकण्ड को तोड़ दिया। इस अवसर पर उपस्थित 'एशिया बुक ऑफ रिकार्ड' की एडजुडिकेटर श्रीमती कोमल सिंह ने नया रिकॉर्ड बनाने के लिए के0रि0पु0बल के महानिदेशक श्री प्रकाश मिश्र को एशिया बुक ऑफ रिकार्ड का प्रमाण-पत्र प्रदान किया।

श्री के. दुर्गा प्रसाद, भा.पु.से. ने महानिदेशक का कार्यभार संभाला

भारतीय पुलिस सेवा के तेलंगाना कैंडर (1981 बैच) के अधिकारी श्री के. दुर्गा प्रसाद ने दिनांक 29.02.2016 (अपरान्ह) में महानिदेशक के.रि.पु.बल का कार्यभार ग्रहण कर लिया। अब तक वे इस बल में विशेष महानिदेशक के पद पर नियुक्त थे। इससे पहले उन्होंने पुलिस आयुक्त विशाखापत्तनम, पुलिस महानिरीक्षक (आसूचना) आंध्र प्रदेश एवं पुलिस महानिरीक्षक ए.पी.एस.पी. बटालियन के पद पर कार्य किया। श्री के. दुर्गा प्रसाद सितम्बर 2004 से अप्रैल 2008 तक ग्रेहाउंड्स के पुलिस महानिरीक्षक एवं अपर महानिदेशक के पद पर रहे। उन्होंने अपर महानिदेशक पुलिस मुख्यालय आंध्र प्रदेश, अपर महानिदेशक (प्रशिक्षण), अपर महानिदेशक (प्रोविजन व लॉजिस्टिक) एवं अपर महानिदेशक (स्पोर्ट्स) के पद भी सम्भाले। श्री के. दुर्गा प्रसाद ने अप्रैल 2008 से फरवरी 2009 तक के.रि.पु.बल में महानिरीक्षक, कोबरा के पद पर रहते हुए जंगल वॉरियर्स बटालियनों की स्थापना में

महत्वपूर्ण योगदान दिया। वे नवम्बर, 2011 से नवम्बर, 2014 तक एस.पी.जी. जैसी महत्वपूर्ण संस्था के निदेशक रहे।

श्री के. दुर्गा प्रसाद ने एस.वी.पी.एन.पी.ए. हैदराबाद से 12वां लेवल-2 मैनेजमेंट कोर्स, ई.आर.डी.एल. पुणे से एक्सप्लोसिव एंड एक्सप्लोसिव डिवाइसेज, ए.ए.एस.सी. गुवाहाटी, आई.एम.जी. तिरुवन्नतपुरम एवं आई.आई.टी. मुम्बई से वर्टिकल इन्टरएक्शन कोर्स और डी.जी.आई.डी. नैनीताल से डी.एफ.आई.डी. लीडरशीप मॉड्यूल जैसे पाठ्यक्रमों में हिस्सा लिया।

26 फरवरी, 1957 को जन्मे श्री के. दुर्गा प्रसाद 02 दिसम्बर 1981 को भारतीय पुलिस सेवा में शामिल हुए। उनको 2002 में भारतीय पुलिस पदक, आंतरिक सुरक्षा पदक, 2010 में विशिष्ट सेवा के लिए राष्ट्रपति पुलिस पदक और 2014 में एस.पी.जी. पदक से अलंकृत किया गया।

Medals and Accolades

DG Felicitates brave hearts

Amongst the paramilitary forces CRPF continued to bag the lion's share and had been decorated with 24 gallantry medals, two of them President's Police Medal for Gallantry (PPMG) and twenty two Police Medals for Gallantry (PMG), for their exceptional deeds of valour in the various operational theatres on the eve of Republic Day 2016.

The CRPF officers and men were decorated with 20 gallantry medals for displaying conspicuous valor in the LWE theatre, whereas, J&K has accounted for four. Five of the medals were awarded to the gallant officers who led their troops from the front in keeping with the highest traditions of the Force.

CRPF is the only Police Force to bag PPMG this year (awarded 02 PPMsG posthumously), apart from BSF, which has been awarded 01 PPMG.

In the 76 years of its existence, CRPF has been decorated with 1526 medals which includes 01 George Cross, 03 King's PMG, 01 Ashok Chakra, 01 Kirti Chakra, 01 Padma Shri, 01 Vir Chakra, 14 Shaurya Chakras, 49 PPFSMG, 191 PPMG, 1 Yudh Seva Medal, 5 Sena Medal, 4

Smt Mohite Usha Sarjerao Widow of Shaheed Ct. Suraj Sarjerao Mohite

Smt Kamla Devi, Widow of Shaheed Ct. Satish Kumar of 121 Bn

The two PPMsG had been awarded posthumously to Shaheed Constable Satish Kumar and Shaheed Constable Suraj Sarjerao Mohite who displayed conspicuous gallantry, exemplary courage under adversity and utmost devotion to duties while eliminating militants who had launched a fidayeen attack on the Rajbagh Police station in Kathua district of Jammu and Kashmir in March 2015. The militants who forced their entry into the police station, after killing the guard at the gate made their way to the barracks of the jawans firing indiscriminately. Constable Satish Kumar and Constable Suraj Sarjerao Mohite displayed raw courage moving out of their barracks and positioning themselves between the troopers and the militants in a manner so as to halt the advance of the militants. Having succeeded in neutralizing one of the militants and despite sustaining severe injuries, they ensured that the second militant also did not succeed in entering the barracks. Beaten by their fierce determination and valour the second militant hid himself in a room and was subsequently neutralized.

**Shaheed Constable
Badal Roy**

Smt. Taposhi Roy, Widow of Shaheed Ct Badal Roy

Shaheed Constable Badal Roy had been posthumously awarded the PMG displayed extraordinary courage in an operation launched by 22 Battallion CRPF to secure the release of four civilians abducted by Maoists and confined in the dense jungles of Parasnath Hills in Girdih district of Jharkhand. The maoists had fully mined the area around their hideout. Despite the imminent threat to one's own life Constable Badal Roy who was in the forefront alongwith his counterparts launched a full scale offensive on the maoist's hideout but unfortunately he came under the impact of an IED and sustained severe injuries. Despite suffering serious injuries, he continued to fire at the maoists forcing them to flee leaving behind the four abductees. Later, Constable Badal Roy succumbed to his injuries and attained martyrdom.

Vishist Seva Medal, 1146 PMG, 5 IPMG, 3 Jeevan Raksha Padak and 100 PM's Police Medal for Life Saving. Apart from above, CRPF has also been awarded 06 President's Police Medals for Distinguished Service and 57

Police Medals for Meritorious Service.

Sh. Prakash Mishra, DG CRPF honoured and presented certificate & Memento to Gallentary Medal Winners during Ops/Int. Conference 2016.

Homage to Martyrs

CRPF led by Shri K. Durga Prasad, DG paid homage to the martyrs who laid down their lives on the altar of duty during an operation against maoists in Sukma Distt., Chhattisgarh on 3 March 2016. DG, senior officers and men of the Force placed wreaths on the mortal remains of Shaheed Ct. Laju N.S. in New Delhi on 5 March 2016.

On 2 March 2016, 208 CoBRA launched an operation near village Dabbamarka, PS Kistaram, Distt. Sukma, Chhattisgarh based on information about the congregation of maoist in that area. A fierce exchange of fire ensued. Ct. Laju N.S., Ct. Fatte Singh Kudopa and Ct. Laxaman Purty fought valiantly without caring for their lives. With their precise and accurate fire they inflicted severe losses upon the maoists. According to sources the troops neutralized many maoists and also inflicted injuries to others. While trying to retrieve the dead bodies of the maoists a few CRPF personnel sustained injuries and Ct. Laju N.S., Ct. Fatte Singh Kudopa and Ct. Laxaman Purty were martyred. The Nation will remember them for their exemplary courage, bravery and sacrifice.

CT LAXMAN PURTY

Shaheed Constable Laxman Purty was born in 1989, in West Singhbhum district of Jharkhand. He joined the Central Reserve Police Force in 2011 at an age of 22. After the successful completion of Basic Training he joined 52 Bn CRPF at Srinagar. On getting the opportunity to serve in the most disturbed and challenging theatre he gleefully grabbed it and joined 203 CoBRA in 2012 and thereafter got transferred to 208 CoBRA.

CT FATTE SING KUDOPA

Shaheed Constable Fatte Singh Kudopa was born in 1984, in Seone district of Madhya Pradesh. He joined the Central Reserve Police Force in 2004 at an early age of 20. After the successful completion of Basic Training he joined 95 Bn CRPF at Assam. He willingly joined 204 CoBRA in 2012 to fight the Maoist menace and thereafter got transferred to 208 CoBRA.

CT LAJU N.S.

Shaheed Constable Laju N.S. was born in 1992, in Thiruvananthapuram district of Kerala. He joined the Central Reserve Police Force in 2011 at an early age of 19. Brimming with the pride of serving the nation he joined 180 Bn CRPF after the successful completion of Basic Training. On getting the opportunity to serve in the LWE areas he joined 208 CoBRA in 2015.

Munak Canal : Midnight operation by CRPF saves Delhi the blushes

During Jat agitation in Haryana in February, 2016 an information was received by the CRPF that a breach has been created in the Munak Canal, near Garhi, Distt Sonipat, resulting in stoppage of crucial water supply to many parts of Delhi.

MHA directed the CRPF to launch an immediate operation to capture the area, secure it and ensure release of water to Delhi

An meticulous operation was planned in the night of the 21st Feb 2016 at Ops Directorate to be headed by Shri Sunil Joon, DIG, GC G/Noida. He was assisted by Shri M.S. Dhillon, CO 194 Bn alongwith 06 Coys of CRPF and a column of Army. After discussion/planning and briefing, the troops marched stealthily towards the site, which was about 12 Km's away from FUP i.e. CRPF Campus Bawana, at about 0300 hrs. On the way towards the target, the troops encountered obstacles such as

fallen trees, boulders, damaged roads, which were cleared by the troops ensuring stealth and pin drop silence. Before, the Jat Agitators got a whiff of the movement of the CRPF troops, the damage portion of the canal in Garhi, Distt- Sonipat was secured and dominated at around 0400 hrs by placing two Coys. Water was released from the adjoining canal after repairs of sluice gate by the engineers and workers of irrigation department of Haryana.

Surprised, outwitted and frustrated by the stealth, successful and precise operation by the CRPF, the local populace of the adjoining villages, started gathering, upstream of the Munak Canal around 30 Kms. away from our location, at place called Khubru and damaged the sluice gates of the canal, which again resulted in disruption of water supply to Delhi. Meanwhile, 06 more Coys of RAF arrived at the site and we started moving towards the area of disruption. This new situation was analysed, discussed amongst Commanders of 99, 105, and 107 RAF and Army and a decision was taken to swiftly move towards the area. It was also discussed to use only minimal force to disperse crowd as the reports of highly charged atmosphere was conveyed by the local police and other sources. Shri Sunil Joon, DIG alongwith CO 194 Bn, 99, 105 and 107 RAF moved towards the area. They faced hard blocks and obstacles created by the agitators by

deflating tyres of heavy trucks, which were cleared with the help of available troops.

About 3,000 strong local crowd was gathered in Khubru armed with local guns, lathis, sickles, spears, swords, petrol bombs, filled LPG gas cylinders and stones. They blocked the road near the Khubru canal and damaged the sluice gates of canal, which resulted in disruption of water supply to Delhi. The crowd was approached by local district administration and CRPF to clear the road and permit the repairs of canal, but all the logic and persuasion could not control the highly charged and agitated crowd, who were ready to retaliate and fight the pitch battle with force. It was then decided to wait for the tempers to calm down as use of force at that time could have led to massive casualties. The standoff, with repeated negotiations, was resolved in the late evening, and the locals cleared the roads. Some of them did not budge, show to disperse them mild lathi charge and rubber bullets were fired. The repairs of damaged sluice gate were carried out in the night itself and the supply of water to Delhi was once again restored.

The operation conducted by DIG, GC, Noida with the professional competency and support of CO 194 Bn, CO's of 99 RAF, 105 RAF, 107 RAF, Coy Comdr's of 05, 27, 70, 89, 194 Bn, CRPF was extremely successful due to careful planning, flawless execution, mature leadership, despite the odds of not knowing the area before and extremely hostile/agitated and armed crowd.

CRPF'S MIDNIGHT OP TO SAVE DELHI WATER

By Abhishek Shukla in New Delhi

THE BREACH in Delhi's water lifeline—the Munak canal—was plugged by the Central Reserve Police Force (CRPF) in a meticulous midnight operation. The canal, damaged by Jat protesters, had brought Delhi under the spell of a water crisis, but the painstaking effort by some 7,000 CRPF personnel ensured that the supply to the Capital would be restored fully by Tuesday evening.

Twenty companies of CRPF were deployed to guard the water canal between 100 km from Delhi to Unnao. Orders of troops to repair the damage. "We had to call personnel from Unnao, Meerut and Lucknow. They were needed to secure the canal's pumping station in Delhi. There are 33 pumping stations that have been damaged at Munak canal. A CRPF officer said.

Apart from the Munak canal, several other personnel from the Central Reserve Police Force were deployed across districts to tackle the violent Jat agitation for water. During the 18 hours of the night, the CRPF, which is a unit of CRPF, also provided support to the police. The CRPF teams include personnel who are being sent to the canal to repair the damage. The CRPF personnel were also engaged in the destruction of large numbers.

The government's response said it had sent out the canal repair work. The work was completed. The canal was open to the public. The work was going on in the night. The work was going on in the night. The work was going on in the night.

Haryana Chief Minister Manohar Lal Khattar (right) provides over a Cabinet meeting over the Jat agitation in Chandigarh. (Below) Army personnel keep a watch on the Munak canal on Monday.

QUOTA STIR

As implemented with its trade partners, a government of India.

Under the quota system, India has been granted a 10% quota for the import of certain goods. The quota is being used to protect the domestic market from foreign competition.

The quota system is being implemented in a phased manner. The first phase will be implemented in the next few months. The second phase will be implemented in the next few months. The third phase will be implemented in the next few months.

AUTO FACTORIES HIT

Violent protests have been reported in several states. The protests are against the quota system. The protests are being led by the Jat community.

The protests have led to the closure of several auto factories. The factories are being hit by the protests. The factories are being hit by the protests. The factories are being hit by the protests.

Directorate CRPF organises Ops-Trg-Int Conference

An Ops-Trg-Int Conference was held at "Shaurya" CRPF Officers Institute, Vasant Kunj New Delhi on 11-12th February 2016 under the chairmanship of Shri Prakash Mishra, DG CRPF. The goal of the conference was to critically analyse the year gone by i.e, 2015, highlighting its achievements and discuss the deficiency. It also charted out remedial measures or suggestions for improvement of performance of the Force and drawing the firm road map with mile stones in a defined time line for the year 2016.

In his inaugural address the DG recalled that 2015 was one of the best year on the operational front and thanked all for leading from the front. The conference has

been called for self introspection and lay out new strategies as per priorities.

At the outset IG Ops Dte paid homage to the 09 martyrs of the Force in six different incidents and presented a comparative study

on various Ops achievements of different theatres in the year 2015. The action plan and the targets for 2016 also presented by him for different theatres.

The Ops-Trg-Int Conference was a big success in which operational / administrative issues of CRPF Dte and various sectors were discussed minutely and an action plan for 2016 was forecast for achieving the target.

In its closing address DG emphasized that efforts of the last year in training troops in compact company/ platoon have yielded positive result and we should continue the practice for developing the team spirit. The SWOT analysis of our strength and weakness will lead to better utilization of resources.

DG releases "Counteracting IED Threats in Sarkeguda" book during the conference

Warm Send Off to Male Contingent for Liberia

The 7th batch of MFPU (Male Formed Police Unit) was accorded a grand send off in a function held on 08.02.2016 in the Directorate. The contingent is headed for Liberia (West Africa) as a part of UN Mission in Liberia (UNMIL). Shri Prakash Mishra, DG, CRPF was the Chief Guest on the occasion. Led by Sh Ravindra Bhagat, Commandant, the 120 strong contingent consists of 07 Gazetted Officers, 09 Subordinate Officers and 104 Other Ranks.

The contingent personnel had been selected from amongst CRPF/RAF/CoBRA personnel, through a rigorous selection process and imparted 7 weeks specialized professional training, keeping in view the prevailing scenario in Liberia.

In Liberia the Formed Police Unit is located at Zwedru appx. 400 kms. from Monrovia the capital of Liberia where it is deployed to secure the jail premises as well as to conduct operations jointly with the Armed Forces of the UN Mission, UNPOL and Liberian National Police. The contingent would also conduct training of Liberia Police in various aspects so as to empower and capacitate them to be self sufficient after the prolonged civil war. CRPF has been a steady partner of UNMIL and till now, contributed 09 Female and 06 Male Contingents (MFPU) to the UNMIL.

The welcome address was delivered by Shri K.S. Bhandari, IG RAF. Speaking on the occasion, Shri

Prakash Mishra, DG congratulated the contingent on being selected to represent the country and advised them to be role models for others. He said that the contingent may also be deployed for city patrolling and anti-robbery duties. He urged them to put in this best performance there. Sh Ravindra Bhagat, Commandant and Contingent Commander proposed the Vote of Thanks.

Last Female Contingent returns from Liberia

India is amongst the largest troop contributing countries of the world. We have a proud history of UN peacekeeping dating back to its inception in 1950s. In the history of UN Peacekeeping it is remarkable that India is the only country that has contributed female Formed Police Units (FPU) for consolidation of peace in Liberia and gender equality/peacekeeping in the world as a whole.

India has led the way in the implementation of aspects of the UN Security Council Resolution 1325, which is aimed at improving the situation of women in conflict situations.

The first Female Formed Police Unit was deployed in Liberia in

Jan, 2007. The unit was formed up with officers and women drawn from the RAF and other regular units of CRPF. They came to Liberia with extensive experience, including counter insurgency and riot control. There have been nine consecutive units which served UNMIL till the final withdrawal of the contingent from Liberia in Feb, 2016.

The primary duty of the FPU was to provide round the clock static guard at the Executive mansion, Ministry of Foreign Affairs, public order management, conduct day and night patrols, joint patrols along with Liberian National Police (LNP) / UNPOL officers and assisting in capacity building of local security institutions. They have also been deployed during

elections and for VIP security.

In addition, Indian FPU implemented community outreach projects which included computer classes, community trash clean up days and education on sexual violence/ HIV/AIDS. FPU provided medical services to the community, adopted an orphanage and a school, where unit members taught female students self defence, Indian dance and provided additional first aid classes for women in the community.

Unit also provided free health services to mainly women and children and organised various medical outreach camps and awareness campaigns touching the lives of many in the local community.

Indian FPU-1 also contributed to the advancement of the LNP's capacity and overall image by working side by side with them on regular basis, providing support whenever needed.

The FPU's presence increased female recruitment to the Liberia National Police. The effect on Liberian women was significant and almost immediate. The number of women joining LNP tripled in the very next year of the arrival of the first FPU. Women in LNP grew from 6% in 2007 to 17% by 2016.

During Ebola scourge the women peacekeepers remained firm and did not deviate. They performed their duties with utmost sincerity and dedication, boldly facing the risks and challenges without caring for their own comforts.

As a result of sizing down of UNMIL, it was decided that gradually number of FPUS will be reduced and complete security responsibilities will be handed over to LNP.

With completion of tenure of ninth batch it was end of the mission for Indian FPU. All these

years Indian FPU has strived hard to carry out the mandate and uphold the highest standards of UN core values and do our bit for consolidation of peace in Liberia. The dedication and sincerity of the Indian Formed Police Unit kept the Indian Tricolor flying high.

अखिल भारतीय पुलिस बैंड प्रतियोगिता : के.रि.पु.बल चैम्पियन

16वीं अखिल भारतीय पुलिस बैंड प्रतियोगिता में के.रि.पु.बल ने चैम्पियनशिप जीत ली है। राजस्थान पुलिस अकादमी, जयपुर में 19 फरवरी 2016 से 23 फरवरी 2016

तक आयोजित इस प्रतियोगिता में 18 राज्यों की कुल 23 टीमों ने भाग लिया। के.रि.पु.बल की बैंड टीम ने ऑवरऑल चैम्पियन बन कर बल का

नाम रोशन किया। इस प्रतियोगिता में बल के बिगुल बैंड एवं पाइप बैंड ने प्रथम स्थान प्राप्त किया, जबकि ब्रास बैंड द्वितीय स्थान पर रहा।

INTRODUCTION

The concept of Light Fidelity (Li-Fi) is currently attracting a great deal of interest, because it offers a genuine and very efficient alternative to Radio Frequency. As a growing number of people and their recent device access wireless internet, the air-waves are becoming increasingly clogged and unavailability of free bandwidths to every device, making it more and more difficult to get a reliable, high speed signal.

Light-Fidelity explains how visible light communication (VLC) technology is applied to high speed wireless communication. Li-Fi or New Life of data communication is a better alternative to Wi-Fi in wireless communication.

The Li-fi technology was invented by Professor Harald Hass of University of Edinburgh. Li-Fi has more capacity in terms of bandwidth in visible region therefore it does not poke its nose in other communications which uses radio frequency range, without taking its frequency

bands. Li-Fi has thousand times greater speed than Wi-Fi and provides security as the visible light is unable to penetrate through the walls, which propose a new era of wireless communication

Why we need to get a Li-Fi

Radio spectrum is congested but the demand for wireless data doubles each year. Everything, it seems, wants to use wireless data but the capacity is drying up. Wireless radio frequencies are getting higher, complexities are growing and Radio Frequency interference continues to grow. So what can carry this excess demand in the future?

The solution is Li-Fi. Direct modulation of LED devices is a low cost, secure, and safe way to transmit data, and there is an abundance of free visible light spectrum. High intensity LEDs used in light bulbs, flash lights and cameras can transmit very high data rates, faster than Wi-Fi!

Features of Li - Fi

Bandwidth: The visible light spectrum is plentiful, unlicensed

and free to use.

Data density: Li-Fi can achieve about 1000 times the data density of Wi-Fi because visible light can be well contained in a tight illumination area whereas Radio Frequency tends to spread out and cause interference.

High speed: Very high data rates can be achieved due to low interference, high device bandwidths and high intensity optical output..

Low cost: Requires fewer components than radio technology.

Energy: LED illumination is already efficient and the data transmission requires negligible additional power.

Environment: Radio Frequency transmission and propagation in water is extremely difficult but Li-Fi works well in this environment.

Safe: Life on earth has evolved through exposure to visible light. There are no known safety or health concerns for this technology.

Non-hazardous : The

Sh. Vivek Kumar, AC
CTC (T&IT), CRPF, Ranchi

transmission of light avoids the use of radio frequencies which can dangerously interfere with electronic circuitry in certain environments.

Containment: It is difficult to eavesdrop on Li-Fi signals since the signal is confined to a closely defined illumination area and will not travel through walls.

Control: Data may be directed from one device to another and the user can see where the data is going; there is no need for additional security.

Applications of Light Fidelity:

Smart Lighting: Any private or public lighting including street lamps can be used to provide Li-Fi hotspots and the same communications and sensor infrastructure can be used to monitor and control lighting and data.

Toys: Many toys incorporate LED lights and these can be used to enable extremely low-cost communication between

interactive toys.

Hazardous Environments: Li-Fi provides a safe alternative to electromagnetic interference from radio frequency communications in environments such as mines and petrochemical plants.

Hospital & Healthcare: Li-Fi emits no electromagnetic interference and so does not interfere with medical instruments, nor is it interfered with by MRI scanners.

Mobile Connectivity: Laptops, smart phones, tablets and other mobile devices can interconnect directly using Li-Fi. Short range links give very high data rates and also provides security.

Aviation: Li-Fi can be used to reduce weight and cabling and add flexibility to seating layouts in aircraft passenger cabins where LED lights are already deployed. In-flight entertainment (IFE) systems can also be supported and integrated with passengers' own mobile devices.

Underwater Communications:

Due to strong signal absorption in water, Radio Frequency use is impractical. Acoustic waves have extremely low bandwidth and disturb marine life. Li-Fi provides a solution for short-range communications.

Radio Frequency Spectrum Relief:

Excess capacity demands of cellular networks can be off-loaded to Li-Fi networks where available. This is especially effective on the downlink where bottlenecks tend to occur

Radio Frequency Avoidance:

Some people claim they are hypersensitive to radio frequencies and are looking for an alternative. Li-Fi is a good solution to this problem.

Vehicles & Transportation:

LED headlights and tail-lights are being introduced. Street lamps, signage and traffic signals are also moving to LED. This can be used for vehicle-to-vehicle and vehicle-to-roadside communications. This can be applied for road safety and traffic management.

Highly accurate location-specific information services such as advertising and navigation that enables the recipient to receive appropriate, pertinent information in a timely manner and location.

Disadvantage

- Light waves cannot penetrate walls.

- In 2012, this technology was demonstrated and it was detectable up to a distance of 10 meter.

Conclusion:

This is the technology that could start to touch every aspect of human life within a decade.

LiFi lamps offer similar capability and life expectancies as LED-based lamp technologies, but at a reduced cost of entry. The only real negative with the technology so far is that it takes more energy to run, but not so much as to be considered a power hog.

There are many possibilities which can be explored further, in manufacturing processes to develop every LED bulb to act as a Wi-Fi Hotspot to transmit data which will lead to a Eco-friendly environment because it does not involve radio waves, as radio waves are harmful. Light Fidelity (Li-Fi) technology is wireless communication for data streaming irrespective of its formats

नारी

सृष्टि की सर्वश्रेष्ठ और सुन्दर रचना नारी सदा ही विवाद का विषय रहा है, मानवता, उदारता, सद्भावना, त्याग, वीरता, कोमलता, सुन्दरता और बलिदान की सर्वश्रेष्ठ मूर्ति होते हुए भी पुरुष समाज ने उस पर अनेकों लांछन लगाए हैं, कहते हैं कि नारी का चरित्र देवता भी नहीं समझ सके हैं तो मुनष्य की गिनती क्या है। राष्ट्रकवि मैथलिशरण गुप्त के उद्गारों में:-

अबला जीवन तेरी यही कहानी। आँचल में दूध है आँखों में पानी।।

और दूसरी रचना में नारी को ऊँचे शिखर पर पहुँचा दिया है ।

एक नही दो-दो मात्राओं से नर से भारी नारी ।।

प्रसिद्ध कवयित्री महादेवी वर्मा ने अपनी एक रचना में लिखा है :-

मैं नीर भरी दुःख की बदली । उमड़ी आज बरस कल चली ।।

यह सब कुछ होते हुए भी वर्तमान पुरुष समाज में नारी की अपनी कोई पहचान नहीं है पर अब समय बदला है, और बदले हुए प्रवेश में वक्त ने करवट ली है और नारी ने जीवन के हर क्षेत्र में अपनी अलग पहचान बनाई है।

समाज का आधार नारी है, नारी से नर उपजें ध्रुव और प्रहलाद समान

हमें अपनी नारी जाति पर गर्व होना चाहिए। यहाँ मैं अपनी बहनों बेटियों से यह अनुरोध करना चाहूँगी कि वह अपने साहस का परिचय देते हुए दहेज की बुरी प्रथा को खत्म करने में अपना विशेष योगदान दें। इतिहास के पन्नों में अमर हुई वीरांगनाएँ झाँसी की रानी, रजिया सुल्तान, दुर्गा बाई, अहिल्या बाई इत्यादि के जीवन से हमें प्रेरणा का संकल्प लेना चाहिए, मैं चाहूँगी कि हमारी बहनें एक नए समाज की स्थापना कर एक नए इतिहास की रचना करें।

कदम चूम लेती है, खुद आकर मंजिले।

मुसाफिर अगर अपनी हिम्मत न हारे।।

What is Digital India?

Digital technologies have emerged as catalysts for rapid economic growth and citizen empowerment across the globe. So in order to empower every citizen with access to digital services, knowledge and information, government of India launched digital India programme on July 1, 2015.

The Digital India programme is a flagship programme of the Government of India with a vision to transform India into a digitally empowered society and knowledge economy and prepare India for a knowledge future.

In fact, it is an umbrella programme covering many departments and integrating many existing schemes. This programme integrates many ideas and thoughts into a single, comprehensive vision so that each of them is seen as part of a larger goal.

It is coordinated by the department of electronics and information technology (Deity) and implemented by the entire government. The focus of the digital India programme is on making technology central to enabling change and being transformative to realize IT+IT=IT.

VISION OF DIGITAL INDIA: IT IS CENTRED ON 03 KEY VISION AREAS:

Vision Area 1 : Digital Infrastructure as a utility to every Indian

- High speed internet as a core utility to facilitate online delivery of various services.
- Cradle to grave digital identity-unique, lifelong, online, and authenticable.
- Participation in digital and financial space through mobiles and banking.
- Easy access to a Common Service Centre (CSC) to avail Govt. to Citizen (G2C) services in the

area of financial, agriculture, health, education, entertainment, banking, insurance, pension, utility payment etc.

- Shareable private space on public good. i.e. easily and authentication based access to a digital locker where all online digital assets, protocols, identities etc. reside, interact and transact.
- Safe and secure cyber space.

Vision Area 2 : Governance And Services on demand

- Seamlessly integrated service across departments or Jurisdictions.

- Services available in real time from online and mobile platform.
- All citizen entitlements to be portable and available on cloud.
- Digitally transformed services for improving Ease of Doing Business.
- Making financial transaction electronic cashless.
- Leveraging GIS for decision support systems and development.

Vision Area 3 : Empowerment of citizen

- Universal digital literacy for truly & fully leveraging the potential of the Digital India programme.
- Universal accessible digital resources.
- Document/certificates to be available on cloud.
- Availability of digital resources/services in Indian language.
- Collaborative digital platform for participative governance.

9 Pillars of Digital India

1. Broadband Highways:

Laying of national optical fibre network (NOFN) in all 2.5 Lakh Gram panchayats in the country will happen in a phased manner. This would lead to a good architecture for electronic delivery of service. India would become a very powerful digitally connected world.

2. Universal Access to Mobile connectivity:

Ensuring mobile access in around 44,000 uncovered villages in the country and government is taking steps to ensure that all villages are covered through mobile connectivity by 2018.

3. Public Internet access:

The two component of the public internet access

programme are common service centre (CSC) and post office as multi service centre. To expand the coverage of common services center (CSC) from 1.35 lakhs to 1.5 lakhs, i.e. one in every panchayat. A total of 1,50,000 Post office are proposed to be converted in to multi service centres.

4. E-Governance:

Business process re-engineering will be undertaken to improve processes and service delivery. Services will be integrated with UIDAI, payment gateway and mobile platform.

5. E-Kranti:

e-Kranti focuses on electronic delivery of services whether it is education, health, agriculture, justice and financial inclusion. The E-Kranti has the vision of “transforming e-governance for transforming governance” .

6. Global Information:

The focus will be on online hosting of data and proactive engagement through social media and web based platforms like “My Gov.”

7. Electronics Manufacturing:

Focus is on set top boxes, VSAT, mobile, consumer electronics, medical electronics, smart energy meters, smart cards and micro ATMs.

8. IT Training for Jobs:

The government is planning to train one crore students from small towns and villages for IT sector.

9. Early Harvest Programmes:

The government is planning to deploy Aadhaar Enabled Biometric Attendance System in all central government offices located at Delhi. A web based application software system will enable online recording of attendance and its viewing by the concerned stakeholders.

J&K Students attend Rashtra Shivar in Rajkot (Gujrat)

50 students of Jammu region (23 boys and 27 girls) were selected for the 18th Rashtra Shivar on National Integration from 27 December 2015 to 03 January 2016 at Village – Pransla, the Upleta, Distt – Rajkot (Gujarat). The main objective of the tour was to connect the unprivileged youth of J&K state with the rich heritage and culture of the country. The participants were assembled at 33 Bn. location and equipped with various utility items free of cost by CRPF for the tour. During preparatory stage, the students were advised and briefed by senior officers of CRPF at Jammu to grab this opportunity and acquaint them with cultural diversity of India and remain committed to nation's progress by inculcating the sense of patriotism.

A special AC-3 tier coach was arranged in the train for the journey of these students from Jammu to Ahmedabad and back. The youngest participant girl amongst the children was 11 year old Poonam Jee from district Doda, who was most enthusiastic and excited. During interaction, 25 out of the 50 students expressed their ambition to become doctor/

engineer, 15 want to join defense/ police services and remaining 10 opted for professions like teacher, lecturer and politician.

During the 18th Rashtra Shivar on National Integration, the students attended lectures on various topics like heritage of India, Indian constitution, human rights, Indian civilization etc. which were delivered by various eminent and prominent intellectuals and will definitely help them to become better citizens of this great nation. The organizer of 18th

Rashtra Shivar, the Vedic Mission Trust Rajkot (Gujrat) aimed to acquaint the youth with real India, its civilization, cultural, heritage, secularism and inoculate the feeling of national integration in them.

During the tour these children also visited Kirti Mandir at Porbandar and Sabarmati Ashram at Ahmedabad. The children also expressed their heartfelt thanks to CRPF for giving them an opportunity to attend this shivar on National Integration.

Sabarimala Pilgrimages : Role of RAF

**R. Jaya Kumar, Comdt.
105 R.A.F.**

Since 2008, one company of 105 RAF is deployed in Sabarimala hills from second week of November to second week of January to secure the Ayyapan temple premises and regulate the huge inflow of pilgrims during the festival period. The duty assume lot of significance as more than a crore pilgrims visit this temple during this particular season and it demands a lot of preparation, planning, supervision and monitoring. The experience that troops gain during this pilgrimage period is very tough to reduce it in words as the noise of the continuous chant, the unending long serpentine queues throughout the day, the burning of ghee filled coconut, regular cracker bursts, the frequent medical emergencies, restricted movement because of lack of space for movement, the occasional visits of elephants/ wild bear in the nearby jungles etc leaves an everlasting impact and impression in the minds of the deployed personnel. Every year, it provides a different experience and lesson learnt in terms of handling mass congregations. It is one of

the largest annual pilgrimages in the world with an estimated over 100 million devotees visiting every year.

Sabarimala Sree Ayyappa Temple which attracts millions of devotees every year from all over the country and abroad, is one of the ancient mountain shrines situated in a deep, dense forest on the hill of Sabari, in the Ranni-Perunad village of Pathanamthitta district of Kerala, in South India. The temple can be reached only on foot has been captivating and the arduous trek of nearly four kilometres through the thick jungles, after crossing River Pamba. Sabarimala is believed to be the place where Lord Ayyappa meditated and became one with Lord Sastha soon after killing the powerful demon Mahishi. Ayyappa temple is situated amidst 18 hills. The temple is situated on a hilltop at an altitude of 468 m (1,535 ft) above mean sea level, and is surrounded by mountains and dense forests.

The primary role of RAF was to assist Kerala Police in the security of temple premises including the sanctum sanctorum and regulate the heavy entry and exit of pilgrims. Other deployments also include representation from NDRF, Karnataka, Andhra Pradesh and Tamil Nadu Police etc. Around 1500 security personnel are engaged in the pilgrimage

duty during this period. RAF quick action team is permanently placed 24x7 at the basement area of the 18 holy steps. The role demanded specific strategies for containment of crowd control especially during weekends and on 15th January (Makaravilaku) constant communication with various stakeholders, tactical information during VVIP visits, coordination and response. Planning also included consideration/preparation for various contingencies like medical requirements of pilgrims, stampede, electricity breakdown, rains, and sometimes even unruly behaviour by pilgrims etc which kept the troops always on tenterhooks.

This year, RAF inducted **NETRA**, an Unmanned Aerial Vehicle (UAV) to monitor and regulate the huge crowd of pilgrims. The UAV was able to track movement and provide live feeds to the ground station and therein it enabled RAF to monitor the huge pilgrim inflow during the peak hours. 105 RAF regularly launched this NETRA from either a small clearing at the Sabarimala hill strip or on the roof top of the Rest House and through that it was able to carry out surveillance in an area of

1.5 kms at a height of 300 mtrs. Its high resolution CCD camera with a pan/tilt of zoom facilitated surveillance helped in identifying human activities up to 500 mtrs and this has proved to be a great value addition in the regulation of pilgrim crowd. This move was greatly appreciated by Kerala Police and Travancore Devaswam Board.

With the announcement of Sabarimala being declared as National Pilgrim Centre, the role of RAF needs to be reviewed regularly so that there is a commonality of purpose and a meaningful game plan for its deployment in the upcoming days.

The deployment and duty profile in Sabarimala demands continuous study of crowd management techniques and plans. Thorough planning and implementation procedures are the key. The most effective crowd management clearly delineates areas of responsibility and authority and especially underscores the need for cooperation and communication between various agencies. There is also a need on the part of the pilgrims to understand the crowd control procedures which would enable them clearly to visualise their own role and understand the actions of security forces responsible for providing them with a safe environment.

स्वच्छ बोकारो : 26 बटा. का प्रयास

स्वतंत्रता से पूर्व महात्मा गाँधी ने एक सपना देखा था वह सपना था स्वतंत्र एवम् स्वच्छ भारत का। राष्ट्रपिता के इसी स्वप्न को पूरा करने के लिए हमारे प्रधानमंत्री श्री नरेन्द्र मोदी ने 2 अक्टूबर 2014 को "स्वच्छ भारत अभियान" का शुभारंभ किया। इसी के साथ उन्होंने पूरे राष्ट्र से यह आह्वान किया कि सभी लोग अपने-अपने स्तर पर इसमें योगदान दें।

इसी आह्वान के आधार पर 26 बटा., सीआरपीएफ के कमाण्डेंट डॉ० संजय कुमार ने अपने अधिकारियों के साथ एक बैठक की तथा वाहिनी के तैनाती स्थल चास एवम् बोकारो को स्वच्छ बनाने हेतु महीने भर की एक विस्तृत कार्य योजना का निर्धारण किया।

बैठक में भाग लेने के लिए एक सप्ताह पूर्व ही प्रशासन, पुलिस, स्कूल, कॉलेज, एन०जी०ओ०, स्वयं सेवकों, समाज सुधारकों, सामाजिक कार्यकर्ताओं, आदि को लिखित निमंत्रण देकर आमंत्रित किया गया। जिसके परिणामस्वरूप बैठक में समाज के सभी वर्गों व समुदायों के लगभग 70 प्रतिनिधियों ने भाग लिया।

बैठक के दौरान अपने प्रस्तुतीकरण के माध्यम से डॉ० संजय कुमार ने "स्वच्छ बोकारो" के अपने स्वप्न को मूर्त रूप देने के लिए एक माह की कार्ययोजना के बारे में सभी को बताया तथा आपसी विचार विमर्श के बाद फरवरी माह को "स्वच्छता माह" के रूप में मनाने पर आम सहमति हुई। कार्य को सही ढंग से क्रियान्वित करने के लिए सीआरपीएफ एवम् जनभागीदारी की योजना भी इसी बैठक में तय हुई

जय सिंह उप कमा.
26 बटा.

तथा बैठक में कुल 08 उप कमेटियां बनाई गईं जिनमें सभी वर्गों व समुदायों के लोगों को भी शामिल किया गया।

इसके उपरांत लगातार संगोष्ठियों का आयोजन करके रुपरेखा का निर्धारण किया गया तथा 28 दिनों के इस "स्वच्छता माह कार्यक्रम" में 4 दिन रैली, 3 दिन विश्राम तथा 21 दिन सफाई (कुल 28 दिन) करने का कार्यक्रम निर्धारित किया गया।

आई.टी.आई. मोड़ चास, बोकारो से कार्यक्रम का विधिवत् शुभारम्भ किया गया। कार्यक्रम के प्रथम दिन से ही इसे अपार जनसमर्थन मिलने लगा तथा प्रतिदिन लगभग 300-500 लोग मिलकर इसे पूर्व निर्धारित मार्ग पर पूर्व निर्धारित कार्यक्रम के अनुसार इसमें भाग लेने लगे।

अभियान में बड़ी तादाद में महिलायें, स्कूली छात्र-छात्रायें, समाजसेवी संस्थायें, व वरिष्ठ नागरिक आदि भाग लेने लगे।

निस्वार्थ भाव से शुरू किया गया यह अभियान अब एक आन्दोलन का रूप ले चुका था जिसमें प्रतिदिन कोई एक नया दल शामिल होकर इसे और व्यापक रूप देते गया।

यह अभियान कई मामलों में ऐतिहासिक और मील का पत्थर रहा क्योंकि शायद ही किसी गैर सफाई संस्था एक माह तक लगातार प्रतिदिन 04 घण्टे काम कर सफाई और जागरूकता के लिये दो जुड़वां शहर में इस स्तर का कार्य किया होगा।

संकल्प दिवस कार्यक्रम में स्कूलों एवम् सामाजिक संगठनों के लोगों ने सांस्कृतिक कार्यक्रमों के माध्यम से सफाई के महत्त्व को उजागर किया। लोगों के मनोरंजन हेतु लाफ्टर चैलेंज 2012 के उपविजेता राजकुमार रैंचो को आमंत्रित करके कार्यक्रम को रूचिकर बनाया गया। इस दौरान पूरे महीने के कार्यक्रम के दौरान अच्छा कार्य करने वाले लोगों को सम्मानित करने के लिए समाज के बीच से एक कमेटी का गठन करके निम्न श्रेणियों में लोगों व संगठनों का चुनाव करके उन्हें पुरस्कृत किया गया :-

- (1) Best Public Mobilizer. (2) Best Participating School. (3) Best Co-Ordinator of School. (4) Best Support worker from Health Department, Bokaro.
- (5) Best Support worker from Municipal Corroation, Chas. (6) Best Participating NGO. (7) Best Coverage amongst Print Media. (8) Best Coverage amongst Electronic Media. (9) Best Sponsor. (10) Best Special Contributor.

स्वच्छ भारत अभियान की मशाल जलती रहे

सीआरपीएफ ने की आम लोगों के साथ बैठक

भास्कर न्यूज चौधरी

प्रधानमंत्री नरेंद्र मोदी के स्वच्छ भारत अभियान के तहत सीआरपीएफ फरवरी माह को स्वच्छता माह के रूप में मना रही है। इस अभियान में शहर के समाजसेवी, एनजीओ और स्कूलों वाले बड़ चढ़कर हिस्सेदारी निभा रहे हैं। यह स्वच्छता के प्रति शुभ संकेत है। उन्होंने कहा कि सीआरपीएफ सफाई अभियान शुरू करने के साथ ही लोगों में जागरूकता लाने का प्रयास कर रही है। उन्होंने कहा कि देश के प्रधानमंत्री ने इस अभियान की मशाल जलाई है, सीआरपीएफ ने इसे अगो बढ़ाया। समाज के सभी लोगों को इस अभियान में जुटना

चाहिए। यह मशाल जलती रहनी चाहिए। उन्होंने कहा कि बोकारो में इतना लंबा अभियान कभी नहीं चला। सीआरपीएफ ने इसे अभियान नहीं आंदोलन के रूप में लिया है। सीआरपीएफ के जवान अचढ़ के लिए समाज के लिए इस अभियान को गति दे रहे हैं।

इसके बाद उन्होंने स्वच्छता अभियान कार्यक्रमों से जुड़े अहम लोगों के साथ बैठक की। बैठक में इस अभियान की सफलता पर विचार विमर्श किया गया। 28 फरवरी तक यह अभियान चलेगा। दो माह को संकल्प दिवस मनाया जाएगा। जिसमें लोगों को स्वच्छता के लिए संकल्प दिलाया जाएगा।

कार्यक्रम के अंत में वहाँ उपस्थित प्रत्येक व्यक्ति द्वारा शपथ लेकर यह संकल्प लिया गया कि ना हम गन्दगी करेंगे और ना करने देंगे।

हमारी इस मेहनत का नतीजा नजर आने लगा है जैसे कुछ जगहों पर लोगों ने घरों के आगे डस्टबिन रखने शुरू कर दिये हैं तथा अब कचरा बड़े कचरा पात्रों के बाहर ना डालकर लोगों ने उनके अन्दर डालना शुरू कर दिया है। अभियान के उपरान्त चास व बोकारो की जनता में आई जागरूकता के परिणामस्वरूप छोटे-छोटे स्तर पर सफाई अभियानों की शुरुआत हो चुकी है। अब लोग सिर्फ दिखावा नहीं करते बल्कि यर्थात रूप से कार्य को अंजाम दे रहे हैं। समाज में सीआरपीएफ इस अभियान में बड़े भाई की भूमिका में उभर कर सामने आई है तथा अब लोगों, संगठनों व स्कूलों से लगातार निमंत्रण आ रहे है कि हम उनके अभियान का नेतृत्व, मार्गदर्शन व सहयोग देकर कार्य को सफल बनावे ताकि उनके कार्य को गतिशीलता प्रदान की जा सके।

22 फरवरी को नई दिल्ली के कस्तूरबा गांधी मार्ग स्थित विद्याभवन में भव्य कार्यक्रम के दौरान माननीय राज्यसभा

सांसद डॉ० सी० पी० ठाकुर द्वारा लॉर्ड बैडेन पावेल राष्ट्रीय पुरस्कार श्री झा को प्रदान किया गया। यह सम्मान भारत के महामहिम राष्ट्रपति श्री प्रणव मुखर्जी द्वारा दिया जाना था, लेकिन नेपाल के माननीय प्रधानमंत्री के अचानक आगमन के कारण अन्तिम समय में कार्यक्रम में फेरबदल किया गया।

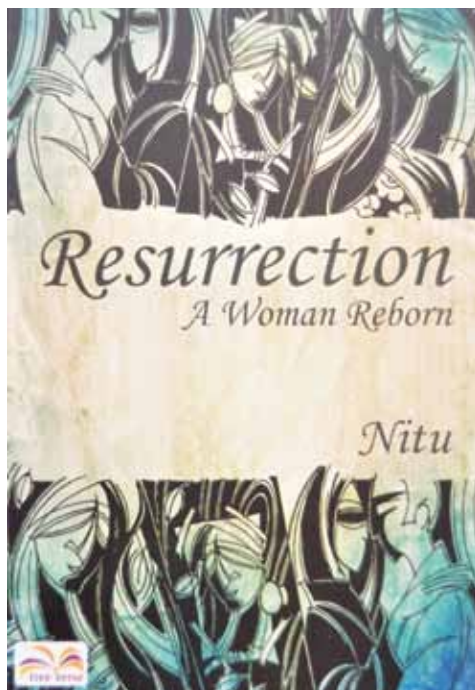

“Resurrection” an Anthology of English Poetry released

Resurrection, A Woman Reborn, an anthology of English poetry by Smt. Nitu Bhattacharya, DIG, CRPF was released at the World Book Fair at Pragati Maidan on 16th Jan 2016 by Ms Meenakshi Lekhi, MP New Delhi. Ms Rita Choudhary, Sahitya Academy awardee and Director NBT was the Guest of Honour while Sh K Vijay Kumar, special Advisor, MHA was the Special invitee.

The book is a collection of thoughts of Women who build lives around the marital home and revel in it. Suddenly, unexpectedly she is made to feel unwanted. The genesis and perceptions may vary but she feels unwanted. And then she realises her obligations and gathers courage to resurrects. She looks up

to find new horizons. At daybreak, she promises herself a new rainbow. And this rainbow is hers alone.

Padamshree Shovana Narayan has written the foreword and sent her message

through a video recording where she expresses empathy with women worldwide.

Padam Vibhushan and icon of empowered women, Ms Sharmila Tagore has remarked, ' Resurrection is an eloquent and honest reflection of a woman's endless struggle for self realisation. Uplifting and poignant

The Guest of Honour country for the Fair is China. Interestingly, the Chinese version of the book was also released today by Mr. Liu Dongjie, the Vice Director of the Committee of News Publishing, the Chinese Society of Education, China, which is the governmental educational organization. He is also the President of Shandong Education Press, which is one of the top publication in China. This publication covers a full line from Education to science, from economy to politics and play an very important role in Chinese media.

Dr. Zhang Wei, Associate Professor, School of Foreign Languages, Anqing Normal University, China was also present who kindly translated the words of President Liu.

A poem from the book was also read out in Chinese and Hindi.

आशा और निराशा सिक्के के दो पहलू

आशा और निराशा सिक्के के दो पहलू हैं। आशा है तो हौसले हैं, हौसले हैं तो उम्मीद हैं, उम्मीद है तो सफलता है। इसके विपरीत निराशा हैं, तो कुछ भी नहीं हैं। न हौसले, न उम्मीद और न ही सफलता। निराशा क्या है, निराशा एक मनोदशा है, जो काम के प्रति अरुचि को दर्शाती है और निराश व्यक्ति उदास, दुखी, बेबस, चिड़चिड़ा और बेचैन हो जाता है। निराश व्यक्ति अपने आपको इतना हताश पाता है कि उसके दिमाग में आत्महत्या करने तक का ख्याल आने लगता है। निराशा के भंवर से निकलने के कई रास्ते हैं। जिस तरह हर अंधेरी रात के बाद उजली सुबह होती है, उसी तरह निराशा के पार आशा की किरण है। बस हमारे—आपके देखने का फर्क है। कुछ लोग निराशा के अंधकार में ही खोए रहते हैं। अंधेरे को देखकर उन्हें लगता है कि यह अंधेरा ही सब कुछ है, जबकि बाकी लोग अंधकार में रहकर आशा के किरण की खोज करते हैं, क्योंकि वे अंधेरे की पहचान करके प्रकाश की खोज में निकल पड़ते हैं। जब अंधेरा है तो प्रकाश भी

होगा। जैसे जन्म है तो मृत्यु होगी ही। यह बात गांठ बांध ले कि अंधेरे का जन्म हुआ है, तो उसकी मृत्यु भी निश्चित है। एक राजा ने अपने सेनापति से कहा, दीवार पर कुछ ऐसा लिखों कि वह अच्छे और बुरे दोनों वक्त में याद करने लायक हो। सेनापति ने लिखा, यह समय भी कट जाएगा। जी हां, न आशा स्थायी है और न निराशा। यह व्यक्ति के ऊपर है कि वह किसे अपने साथ रखता है — आशा को या निराशा को।

एक व्यक्ति को नदी पार करनी थी, लेकिन उसके पास नाव नहीं थी। किसी ने उससे पूछा कि ऐसे में वह नदी कैसे पार करेगा, उस व्यक्ति ने कहा, कश्तियां नहीं तो क्या, हौसले तो पास है। किसी भी व्यक्ति को बुरे से बुरे समय में भी हौसला और उम्मीद नहीं छोड़नी चाहिए। बस, अपने कर्म करते जाना चाहिए। मनोवैज्ञानिक कहते हैं कि निराशा के बादलों को हटाने का एक सरल उपाय यह है

सत्येन्द्र सिंह, निरीक्षक / हि.अ.

सम्पादक—सह—प्रभारी,

जनसंपर्क शाखा, महानिदेशालय

कि जीवन में जब कभी आपके मन पर निराशा की छाया पड़ने लगे, तो तुरंत उन क्षणों को याद करने की कोशिश करें, जब आपने कोई बहुत बड़ा या बहुत अच्छा काम किया था, किस तरह उस समय लोगों ने आपकी प्रशंसा की थी और आपको किसी नायक की तरह सराहा था।

आशा

Achievements

OPS Branch :

During the months of January and February' 2016, CRPF conducted 245 successful operations in the three operational theatres and achieved significant successes. In the three operational theatres CRPF neutralized 34 militants/maoists/insurgents and apprehended 388. Apart 126 weapons were also recovered across the three theatres of operations.

The achievements in the three operational theatres are as :-

Jammu & Kashmir

CRPF ने शहीदों के FDs, money to fund education

FDs, money to fund education

IN order to aid education of its martyrs' children, CRPF has initiated a fixed deposit scheme for them apart from helping them with money when they opt for professional courses.

The Family Welfare Association of the force recently handed over Fixed Deposit (FD) certificates of ₹20,000 each to 182 such children whose parents (mainly fathers) were killed in the line of duty.

The FDs will be provided to those children who are studying in classes IX-XII and the maturity of these financial instruments has been so timed that they can get the money once they turn 18.

36 नक्सलियों ने किया आत्मसमर्पण

रामपुर, 28 फरवरी (भाषा)। छत्तीसगढ़ के बस्तर जिले में दो महिलाओं सहित कम से कम 36 नक्सलीवर्गों ने अपने साथ दुर्घटनकारक हथियारों और रविवार आत्म समर्पण कर दिया।

बस्तर के पुलिस अधीक्षक आरएम. दास ने कहा कि नक्सलीवर्गों ने बस्तर पुलिस अधीक्षक के साथ समर्थन आत्म समर्पण कर दिया। वे उनके तीन लाख रुपये का इनाम था। अधीक्षक ने कहा कि कचारी गोर (35) माओवादी के सार्वजनिक संगठन चेतना नाट्य मंडली (सीएनएम) का प्रमुख है। उस पर एक लाख रुपये का इनाम था।

उन्होंने कहा कि आत्म समर्पण करने वाले नक्सलीवर्गों ने अपने हथियारों और रविवार आत्म समर्पण कर दिया। वे उनके तीन लाख रुपये का इनाम था। अधीक्षक ने कहा कि कचारी गोर (35) माओवादी के सार्वजनिक संगठन चेतना नाट्य मंडली (सीएनएम) का प्रमुख है। उस पर एक लाख रुपये का इनाम था।

Naxal carrying ₹100 bounty neutralised by CRPF in Jharkhand

NEW DELHI

Central Reserve Police Force (CRPF) has neutralised a dreaded Naxal Zonal Commander Nitesh alias 'Nitesh' during an encounter in Jharkhand. He was carrying a cash reward of ₹100 on the basis of own statement about presence of the leadership.

This is a severe setback for Maoists in Bihar and Jharkhand where 11 cadres have been killed in less than two months.

dead body was recovered from the spot, the CRPF said in a statement here.

Ustad Rashid Khan, an exponent of Rampur Sahaswan Gharana, mesmerized and enchanted the audience, with his melodies, at a concert organized by CRPF. Prakash Mishra, DG CRPF, K. Durga Prasad, Spl. DG (Ops & Works), S.K. Bhagat, Spl. DG (J & K Zone), P.V.K. Reddy, ADG (HQ), senior officers, men and families of CRPF were present on this occasion in large numbers. At the same function, Sandhya Mishra, President (CRPF Family Welfare Association), CWA, gave away cheques of Rs. 20,000 each to 182 and cheques of Rs. 30,000 each to 8 daughters of the martyrs of CRPF. The amounts will be fixed in till they attain...

RAF lady jawans help in Op Munak

New Delhi. Women personnel of 18 Rapid Action Force (RAF) companies deployed in J&K (in anti-hit Haryana) are coming in handy to manage female protesters who can be seen agitating alongside the menfolk. In fact, a senior CRPF officer said many of the protesters at the Munak canal, secured by the CRPF and Army at around 3am on Monday, were women and had to be dispersed by lady jawans of RAF.

There are 15 women in each of the 18 RAF companies.
