Passing out Parade of 50th Batch CRPF Officers

CRPF has played a key role in maintaining the unity and integrity of the nation. This force has a glorious past, praise-worthy present and a future filled with hope and service. This was stated by Shri M. Venkaiah Naidu, Hon'ble Vice President of India on 16th December, 2018 at the Passing Out Parade of the 50th Batch of the Directly Appointed Gazetted Officers (DAGOs) of CRPF in the premises of the CRPF Academy, Gurugram. Shri Naidu said CRPF personnel have always won the faith and confidence of the people wherever they have been deployed. He said CRPF has played a significant role right from the days of unification of the country to successfully tackling separatism in the North east and terrorism in Punjab. Appreciating the Civic Action Programmes of CRPF, the Vice President said that such programmes increase the acceptability of the police among the public. He called upon

the force personnel to upgrade their professional efficiency in view of the newer challenges arising out of cyber technology. He also called upon the government and the authorities helming the force to give attention to the facilities being provided to the personnel of the force, especially those who are posted in difficult and inaccessible areas and also to take special care of the health and educational needs of the families of the force personnel.

Shri Manohar Lal Khattar, Hon'ble Chief Minister of Haryana graced the occasion as the Guest of Honour.

Earlier, in his welcome address, Sh. Rajeev Rai Bhatnagar, DG, CRPF said that CRPF is the world's largest armed police force and is the lead force in tackling the issues of internal security of the country. Underlining 79 years of glorious history of the force Sh. Bhatnagar said that the force personnel have always exhibited the highest standards of valour and sacrifice. He said last year only CRPF personnel have been awarded as many as 135 Gallantry medals including seven Shaurya Chakras, which is a record in itself. He said that the force has constantly been upgrading itself tactically and strategically to effectively meet different short of challenges.

On the occasion, the Chief Guest presented gallantry medals to the awardees and trophies to the trainee officers. Those who were honoured on 16th December, 2018 include 18 officers/ personnel, who received Police Medals for Gallantry. Similarly, trainee officers like Nishant Yadav (All round Best Trainee), Gyanendra Giri (Best in outdoor subjects), Banai Singh Meena (Best in physical training) and Ujjwal Kumar Tiwari (Best Firer) received trophies from the honourable Vice President. With their passing out on 16th December, 2018, the officers will undergo specialized counter insurgency training before being posted in different parts of the country.

Earlier, the chief guest Sh. Venkaiah Naidu, accompanied by Sh. R.R. Bhatnagar inspected the parade and took salute in the colourful march past.

As many as 48 trainee officers including 4 lady officers, 11 post-graduates and 37 engineering graduates passed out from the academy 16th December, 2018, after undergoing a rigorous training regimen spanning 52 weeks. Like the previous batches of the DAGOs of CRPF, the 50th Batch too bears a pan-Indian character with the trainee officers representing as many as 16 states of the country having different socio-educational background.

It is pertinent to mention here that the recruitment of Directly Appointed Gazetted Officers (DAGOs) in CRPF took place for the first time in 1961. They were imparted basic training at the then Central Police Training College at Mount Abu. From 1963 onwards the DAGOs were imparted training at the Central Training College-I, CRPF, Neemuch (MP) which continued till 1975. On shifting of National Police Academy to Hyderabad, the training of DAGOs was shifted to Mount Abu where the Internal Security Academy was established on 1st February, 1975. Subsequently, DAGOs were trained at ISA, CRPF, Mount Abu. Rapid expansion of the Force coupled with increasing demand for more professional and in-service courses vis-à-vis modernization of weaponry, equipment and transport had made it necessary that an Academy exclusively dedicated for the training of officers is catered for. This had been a long cherished dream, which became a reality on 23rd March, 2002, when the foundation stone of the Academy was laid.

CRPF organizes Annual Welfare Exhibition

Smt. Aruni Doval spouse of Sh. Ajit Doval, NSA, GOI inaugurating the exhibition on 2nd November, 2018

The three days welfare exhibition of CRPF Family Welfare Association got off to a colourful start on 2nd November, 2018 at the SDG Ground in the Old JNU Camus, New Delhi. The Chief Guest Ms. Aruni Doval spouse of Shri Ajit Doval, the National Security Advisor inaugurated the exhibition.

Speaking on the occasion, Ms. Doval described the welfare exhibition as a potential platform to showcase the creative diversity of the family members of the CRPF personnel. She also said that such programmes create a sense of communality and unity which is the essential strength behind any police force. Presiding over the inaugural meeting, Dr. Manu Bhatnagar, President CWA said that the CWA extends all possible support to the family of CRPF personnel who often stay away from their family in remote and difficult areas as part of their duties. Shri Rajeev Rai Bhatnagar, DG CRPF alongwith many other dignitaries and officers were present on the occasion.

As many as 38 stalls put up on the Mela ground proved as hubs of public interest, inquisitiveness and shopping. Particularly the CRPF pavilion raised at the ground was an instant hit for the crowd as it displayed the traditional courage and sacrifice made by the force personnel alongwith its past glory. The range of sophisticated weaxpons, gazettes, non lethal inventory of the Rapid Action Force caught the eyes of one and all. The youthful visitors didn't forget however to have a feel of the Jungle Warrior put up at the selfie corner. Similarly the Stall put up by the Chhattisgarh Sector, despite being a first timer in the Mela, drew huge crowds to traditional tribal utilities and artefacts like Dokra sculpture that were on display. In the same vein, other stalls set up by different CRPF Units also invoked visitors' interest in the wide array of items from homemade delicacies and dresses to domestic utilities put up for sales. Other stalls also enjoyed equal footfalls in view of their respective range of saleable items that carried the flavour of regional cuisine and culture.

While large crowd kept thronging the Mela ground on all the three days, the organisers of the exhibition had for them colourful cultural performances in the evening. Unique cultural dance shows like Malkhamb, Sambalpuri dance and other regional dance drama kept the audience enthused all along. The Chotanagpuri Tribal dance performance by the members of Bastaria Batalion was in for a lot of viewers' appreciation and applause.

CRPF Pavilion attracts crowds at Indian Trade Fair Pragati Maidan

CRPF set up a pavilion in India International Trade Fair-2018 held at ITPO Pragati Maidan. Shri C.R. Chaudhary, Minister of State for Commerce & Industry inaugurated the expo on 14th November 2018. The 63 square meters CRPF pavilion provides a glimpse into the duties, achievements, gallantry acts, training, weapons used by CRPF, and various theaters that CRPF works in. The pavilion is made on the theme of 'Sarvatra Vidyaman, Satat Gatiman' which translates into 'Present everywhere, perpetually moving'. The pavilion depicts various historical moments and the journey of CRPF through time from the day of its raising. It also provides a window into CRPF way into life and proudly displays its versatility. Two CoBRA commando with deep jungles in the background picture received overwhelming response from visitors and remained one of the most crowd attracting spots in the entire expo and a major attraction for visitors to take selfie with. To take a selfie clad in uniform, arrangement have been made by placing a below neck 3D cut out of CoBRA Commando. A visitor can simply stand behind the 3D cut out and take selfie to appear clad in CoBRA uniform. While RAF, a specialised wing for Riot Control, displayed its weapons and capabilities, a big display continuously plays a video about the evolution of CRPF right from its day of inception in 1939 and also some of its landmark achievement. CRPF also displayed its contribution in solving various issues of people of J&K by their dedicated helpline called MADADGAAR. CRPF also exhibited a board displaying all Gallantry medal awardees in 2018 conveying that it takes pride in telling that it is honoured with highest number of Gallantry medals among all Police forces yet again in 2018.

CRPF Organizes Civic Action Programmes

I) Funds for Rs. 11,85,000/- allotted for 21st Rashtra Katha Shivir for the year 2018-19 under CAP in J&K.

1. 21st Rashtra Katha Shivir on National Integration from 23-12-2018 to 30-12-2018 was organized at Village – Pransla, the Upleta, Distt – Rajkot (Gujarat). The main objective of the tour was to connect the unprivileged youth of J&K state with the rich heritage and culture of the country. Responsibility was given to Jammu Sector to select 50 students from Jammu region and send to Katha Shivir at Rajkot, Gujrat. Funds of Rs 11,88,000/- was sanctioned by M.H.A. to conduct said Katha Shibir. The participants were assembled at 33 Bn. location and equipped with various utility items free of cost by CRPF for the tour. During preparatory stage, the students were briefed by senior officers of CRPF at Jammu to grab this opportunity and acquaint them with cultural diversity of India and remain committed to nation's progress by inculcating the sense of patriotism.

2. A special AC-3 tier coach was arranged in the train for the journey of these students from Jammu to Ahmedabad and back. During the 21st Rashtra Shibir on National Integration, the students attended lectures on various topics like heritage of India, Indian constitution, human rights, Indian civilization etc. which were delivered by various eminent and prominent intellectuals and will definitely help them to develop as better citizens of this great nation. The organizer of Rashtra Shibir, the Vedic Mission Trust, Rajkot (Gujrat) aimed to acquaint the youth with real India, its civilization, cultural, heritage, secularism and inoculate the feeling of national integration in them.

3. The children also expressed their heartfelt thanks to CRPF for giving them an opportunity to attend this shibir on National Integration.

II) Funds for Rs. 14,16,00,000/- allotted under CAP for the year 2018-19 in LWE.

1. Units are deployed in highly Naxal affected district of Chattisgarh to conduct effective anti Naxal operation and assist civil authority to maintain law & order. Inhabitants of this area are very poor, uneducated and mostly are deprived. State Govt. are doing their best to sort out their grievances/problem. Govt. of India has directed to organize civic action programme to meet their basic/urgent requirement and establish good reputation between security forces and locals.

2. In compliance of the direction, Units are organizing civic action programmes as per M.H.A guideline in which Sarees, Solar lantern, Radio, Blanket, Sweater, Mosquito nets, Cooking Utensils, Water storage tank, Umbrella, Medicines, Stationary items, Fruit

bearing plants and Sports items etc. were distributed to the poor & needy villagers/ students.

3. 112 Bn CRPF has organized a programme "अंधेरे से उजाले की ओर" under CAP in the highly Naxal affected area of Tungari, Distt-Latehar in Jharkhand. During this programme the Commandant-112 Bn. distributed 50 solar lights to the villagers and books & study materials to around 500 students as a welfare measure to the villagers.

III) Funds for Rs. 2,50,00,000/- allotted under CAP for the year 2018-19 in NE.

Civic Action Programme is being organized at North East Region in which various activities such as distribution of sports items to the loving youths and school students, renovation of schools, medical activities for ailing people, distribution of seeds to the poor farmers, organization of football matches, distribution of solar lamp to the villages where scarcity of electricity, organizing

skill development programme etc to bridge the relationship between general public and the force. Till date Rs. 1,39,88,024/- has been utilized for conducting CAP in NE region .

IV) Funds for Rs. 12,00,000/- allotted for project "MADADGAAR" under CAP for the year 2018-19 in LWE.

The toll free helpline "MADADGAAR" for the Kashmiris is a step in this direction, whereby it shall be able to serve the citizens of Kashmir located all over the country. This helpline will render assistance in case of public safety, medical emergencies, disruption of civic amenities, natural and man made calamities, women safety etc. addressing distress is not merely the aim. The helpline would also aid career counseling for those interested in joining the paramilitary forces, help victims of drug addiction by referring them to the counselors, provide important information on tourism, especially to pilgrims visiting Mata Vaishno Devi and Sri Amarnath shrines. The effort is intended not only to help to rebuild the lost trust and confidence in the Forces but is also expected to project the humane face of the Force.

V) 11th tribal youth exchange programme for the year 2018-19.

Tribal Youth Exchange Programme in collaboration with NYKS being organized by Govt. of India tribal belts of LWE affected areas. CRPF is playing a vital role in organizing the Tribal Youth Exchange Programme. CRPF has the responsibility to select the participants from the districts of LWE affected areas as per guidelines issued from Nehru Yuva Kendra Sangathan and to provide escorts during the Tribal Youth Exchange Programme. This year CRPF has selected 1130 participants from various districts of LWE affected areas and providing escorts for their tour to Bengaluru, Chennai, Delhi, Hyderabad, Surat, Jaipur, Jammu, lucknow, Mumbai and Panchkula on various scheduled dates.

भारतीय गणतंत्र दिवस

प्रदीप कुमार सिंह
महानिरीक्षक(आसूचना) महानिदेशालय

26 जनवरी को मनाया जाने वाला भारतीय गणतंत्र दिवस वह दिन है, जब इसी दिन सन् 1950 में हमारे देश का संविधान प्रभाव में आया। इस वर्ष भारतीय गणतंत्र 70वें वर्ष में प्रवेश करने जा रहा है। गणतंत्र दिवस का दिन भारत के तीन राष्ट्रीय पर्वों में से एक है, यहीं कारण है कि इसे हर जाति तथा संप्रदाय द्वारा काफी सम्मान और उत्साह के साथ मनाया जाता है। 26 जनवरी के दिन मनाये जाने वाले गणतंत्र दिवस के पर्व पर पूरे देश भर में परेड तथा सांस्कृतिक कार्यक्रम जैसे कई कार्यक्रमों का आयोजन किया जाता है। इसलिए यह काफी आवश्यक है कि इस विशेष दिन को हम उचित सम्मान दे और इसे साथ मिलकर मनाये, ताकि हमारे देश की यह एकता और अखंडता इसी प्रकार से बनी रहे।

गणतंत्र दिवस मनाने का मुख्य कारण यह है कि इस दिन हमारे देश का संविधान प्रभाव में आया था। हालांकि इसके अलावा इस दिन का एक और इतिहास भी है, जोकि काफी रोचक है। इसकी शुरुआत दिसंबर 1929 में लाहौर में पंडित नेहरु के अध्यक्षता में संपन्न हुई भारतीय राष्ट्रीय कांग्रेस के अधिवेशन से हुई थी। जिसमें कांग्रेस द्वारा इस बात की घोषणा की गई की यदि 26 जनवरी 1930 तक भारत को स्वायत्त शासन (डोमीनियन स्टेट्स) नही प्रदान किया गया, तो इसके बाद भारत अपने आप को पूर्णतः स्वतंत्र घोषित कर देगा, लेकिन जब यह दिन आया और अंग्रेजी सरकार द्वारा इस मुद्दे पर कोई जवाब नही दिया गया, तो कांग्रेस ने उस दिन से पूर्ण स्वतंत्रता प्राप्ति के लक्ष्य से अपना सक्रिय आंदोलन आरंभ कर दिया। यही कारण है कि जब हमारा भारत देश आजाद हुआ तो 26 जनवरी के दिन को संविधान स्थापना के लिए चुना गया।

गणतंत्र दिवस कोई साधारण दिन नही है, यह वह दिन है, जब हमारे भारत देश को पूर्ण रूप से स्वतंत्रता की प्राप्ति हुई, क्योंकि भले ही भारत 15 अगस्त 1947 को स्वतंत्र हो गया था, लेकिन यह पूर्ण रुप से स्वतंत्र तब हुआ, जब 26 जनवरी 1950 के दिन 'भारत सरकार अधिनियम' को हटाकर भारत के नवनिर्मित संविधान को लागू किया गया। इसलिए उस दिन से 26 जनवरी के दिन को भारत में गणतंत्र दिवस के रूप में मनाया जाने लगा। यह भारत के तीन राष्ट्रीय पर्वों में से एक है इसके अलावा अन्य दो गांधी जयंती और स्वतंत्रता दिवस है।

इस दिन पूरे देश भर में राष्ट्रीय अवकाश रहता है, यही कारण है कि विद्यालय तथा कार्यलय जैसे कई जगहों पर इसके कार्यक्रम को एक दिन पहले ही मनाया जाता है। इस दिन विद्यालयों में मिठाइयों का वितरण किये जाने के साथ ही कई तरह के सांस्कृतिक कार्यक्रम भी आयोजित किये जाते हैं। इस दिन का सबसे भव्य आयोजन नई दिल्ली के राजपथ में होता है, जहां कई तरह की झांकिया और परेड निकाले जाते हैं। गणतंत्र दिवस का यह दिन एक ऐसा दिन होता है, जो हमें हमारे देश के संविधान का महत्व समझाता है, यही कारण है कि इस दिन को पूरे देश भर में इतने धूम–धाम से मनाया जाता है।

भारतीय गणतंत्र दिवस से जुड़े कई सारे महत्वपूर्ण रोचक तथ्यों के विषय में चर्चा की गयी है। इस दिन पहली बार 26 जनवरी 1930 में पूर्ण स्वराज का कार्यक्रम मनाया गया। जिसमें अंग्रेजी हुकूमत से पूर्ण आजादी के प्राप्ति का प्रण लिया गया था। गणतंत्र दिवस परेड के दौरान एक क्रिस्चियन ध्वनि बजाई जाती है, जिसका नाम "अबाईड वीथ मी" है क्योंकि यह ध्वनि महात्मा गांधी के प्रिय ध्वनियों में से एक है। इस बार

इसको बदल दिया गया है। भारत के पहले गणतंत्र दिवस समारोह के मुख्य अतिथि इंडोनेशिया के राष्ट्रपति सुकर्णो थे। गणतंत्र दिवस समारोह का राजपथ में पहली बार आयोजन वर्ष 1955 में किया गया था। भारतीय गणतंत्र दिवस समारोह के दौरान भारत के राष्ट्रपति को 31 तोपों की सलामी दी जाती है।

हर वर्ष 26 जनवरी को नई दिल्ली के राजपथ में गणतंत्र दिवस के इस कार्यक्रम को काफी भव्य रूप से मनाया जाता है। इसके साथ ही गणतंत्र दिवस के दिन किसी विशेष विदेशी अतिथि को आमंत्रित करने की भी प्रथा रही है, कई बार इसके अंतर्गत एक से अधिक अतिथियों को भी आमंत्रित किया जाता है। इस दिन सर्वप्रथम भारत के राष्ट्रपति द्वारा तिरंगा फहराया जाता है और इसके बाद वहां मौजूद सभी लोग सामूहिक रूप से खड़े होकर राष्ट्रगान गाते हैं।

इसके पश्चात कई तरह की सांस्कृतिक और पारंपरिक झाँकिया निकाली जाती हैं, जो कि देखने में काफी मनमोहक होती हैं। इसके साथ ही इस दिन का सबसे विशेष कार्यक्रम परेड का होता है, जिसे देखने के लिए लोगों में काफी उत्साह होता है। इस परेड का आरंभ प्रधानमंत्री द्वारा राजपथ पर स्थित अमर जवान ज्योति पर पुष्प अर्पित करने के पश्चात होता है। इसमें भारतीय सेना के विभिन्न रेजीमेंट, वायुसेना तथा नौसेना द्वारा हिस्सा लिया जाता है।

यह वह कार्यक्रम होता है, जिसके द्वारा भारत अपने सामरिक तथा कूटनीतिक शक्ति का भी प्रदर्शन करता है और विश्व को यह संदेश देता है कि हम अपने रक्षा में सक्षम है। 2018 के गणतंत्र दिवस समारोह में एक साथ कई सारे मुख्य अतिथियों को आमंत्रित किया गया था। इस कार्यक्रम सभी आसियान देशों के के प्रमुखों को आमंत्रित किया गया था। गणतंत्र दिवस समारोह का यह कार्यक्रम भारत की विदेश नीति के लिए भी काफी महत्वपूर्ण है, क्योंकि इस कार्यक्रम में आमंत्रित किये गये विभिन्न देशों के मुख्य अतिथियों के आगमन से भारत को इन देशों से संबंधों को बढ़ाने का मौका मिलता है।

गणतंत्र दिवस हमारे देश के तीन राष्ट्रीय पर्वों में से एक है, यह वह दिन है जो हमें हमारा गणतंत्र के महत्व का अहसास कराता है। यही कारण है कि इसे पूरे देश भर में इतने जोश तथा उत्साह के साथ मनाया जाता है। इसके साथ ही यह वह दिन भी है जब भारत अपने सामरिक शक्ति का प्रदर्शन करता है, जोकि किसी को आतंकित करने के लिए नही अपितु इस बात का संदेश देने के लिए होता है कि हम अपनी रक्षा करने में सक्षम है। 26 जनवरी के यह दिन हमारे देश के लिए एक ऐतहासिक पर्व है इसलिए हमें पूरे जोश तथा सम्मान के साथ इस पर्व को मनाना चाहिए।

स्वाइन फ्लू : कारण, लक्षण और चिकित्सा

डॉ. अनिल कुमार
मुख्य चिकित्सा अधिकारी

- श्वसन तंत्र से जुड़ी बीमारी है स्वाइन फ्लू। खांसने या छींकने पर फैलते हैं संक्रमण।
- सिर में भयानक दर्द हैं इसका प्रमुख लक्षण। स्वाइन फ्लू के लिए टीका विकसित किया गया है।

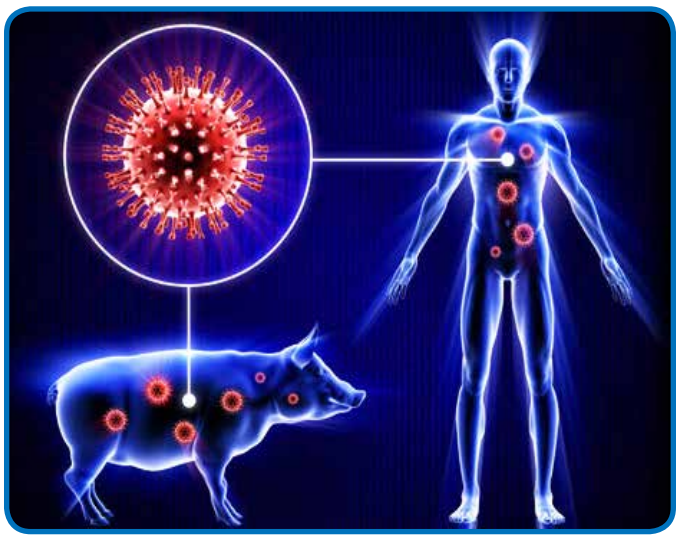

स्वाइन फ्लू एक सांस से जुड़ी बीमारी वाला वायरस है, जो छींकने या इसके वायरस के संपर्क में आने से फैलती है। किसी व्यक्ति में स्वाइन फ्लू की पहचान करना बेहद जरूरी होता है। क्योंकि इसकी सही समय पर पहचान ना होने पर उसे गंभीर समस्याओं का सामना करना पड़ सकता है। साथ ही उसके संपर्क में आकर अन्य व्यक्तियों में भी यह संक्रमण फैल सकता है। स्वाइन फ्लू का उपचार सामान्य फ्लू के जैसे ही किया जाता है, बुखार, कफ और ठंड के बचाव के लिये दवाएं दी जाती हैं, कुछ लोगों को शायद विषाणुरोधक दवाएं (एंटीवायरल) या उपचार की ज़रुरत पड़ सकती है।

स्वाइन फ्लू का उपचार

स्वाइन फ्लू होने पर डॉक्टर आपको बुखार व कफ के लिए 'टेमीफ्लु' या 'रेलेंजा' जैसी एंटीवायरस दवाईयां दे सकते हैं। इन दवाईयों को रोग शुरू होने के 2 दिन के अंदर ही ले लेना चाहिए, क्योंकि जितनी जल्दी ये दवाईयां शुरू होगी, उतना ही लाभ होगा। आमतौर पर ये दवाईयां 5 दिनों के लिए दी जाती हैं। वैसे ये दवाईयां फ्लू को पूरी तरह खत्म नहीं करतीं, लेकिन ये बीमारी की अवधि व लक्षणों को कम करने के अलावा न्यूमोनिया जैसी बीमारी के खतरे को भी कम करती हैं।

पेरासिटामोल

स्वाइन फ्लू के अधिकतर मरीज़ सही इलाज से ठीक हो जाते हैं। उपचार के अंतर्गत पर्याप्त आराम, बुखार और ठंड को ठीक करने के लिए पेरासिटामोल दिया जाता है। कभी कभी बच्चों को अतिरिक्त उपचार भी दिया जाता है, लेकिन

यहां पर यह सलाह दी जाती है कि कोई भी उपचार शुरू करने से पहले चिकित्सक की सलाह ले लें। 16 साल से कम उम्र के बच्चों को ऐस्पिरिन से जुडे हुए दवा उपचार का प्रयोग न करें।

विषाणुरोधक दवाएं (एंटीवायरल)

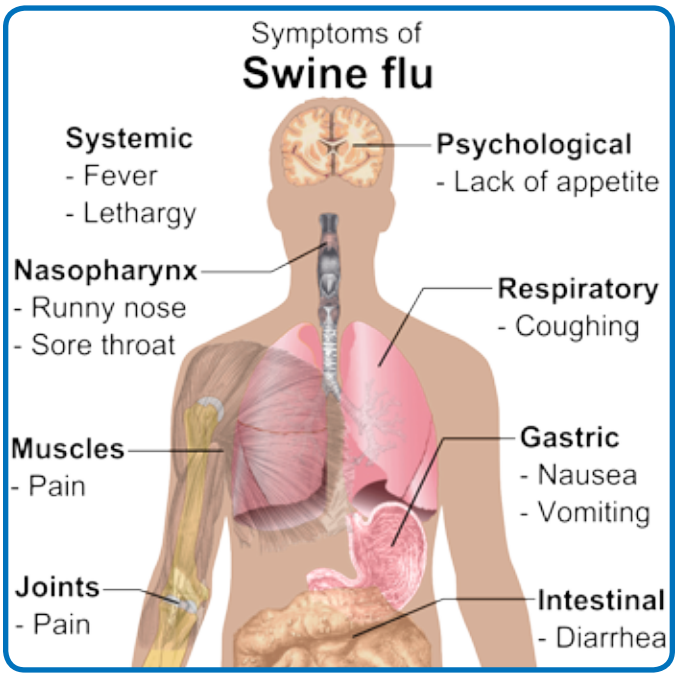

वायरल संक्रमण से बचाव के लिए दो दवाईयां ओसेल्टामविर (टेमीफ्लु) और ज़नामिविर (रेलेंज़ा) का उपयोग स्वाइन फ्लू को ठीक करने के लिए दवा उपचार के तौर पर किया जाता है। विषाणु रोधक दवाएं फ्लू को पूर्ण रूप से ठीक नहीं करती हैं, लेकिन कुछ लक्षणों को कम करने में सहायक होते हैं। जैसे :–

1. ये दवाईयां लक्षणों और बीमारी की अवधि को एक दिन तक कम करने में सहायता करते हैं। कुछ लक्षणों को कम करते हैं और न्युमोनिया जैसी गम्भीर बीमारी की जटिलता के खतरे को कम करते हैं।

2. अति गम्भीर बीमारी से ग्रस्त मरीज़ों में जैसे ही स्वाइन फ्लू के लक्षण दिखाई देते हैं, वैसे ही जितनी जल्दी सम्भव हो, विषाणु रोधक दवाएं तुरंत शुरू कर देना चाहिए। इस समूह के अंतर्गत निम्नलिखित रोग आते हैं:–

   क. दीर्घकालिक फेफडों या श्वाश प्रश्वाश सम्बन्धी बीमारी।

   ख. दीर्घकालिक दिल की बीमारी (जन्मजात या जन्म के बाद)

   ग. दीर्घकालिक गुर्दे की की बीमारी (जैसे कि गुर्दा खराब होना)

   घ. दीर्घकालिक लीवर की बीमारी (सिरोसिस, हेपाटाइटिस)

   ड. दीर्घकालिक दिमाग की बीमारी (जैसे कि पार्किंसन)

   च. ईम्यूनोलस्प्रेशन (या तो किसी एक बीमारी के कारण, दवा के कारण, या फिर कोई उपचार के कारण)

   छ. मधुमेह की बीमारी (टाईप 1 या 2)

प्रतिजैविक (ऐन्टिबायोटिक)

किसी भी प्रकार के फ्लू से पैदा होने वाली सबसे साधारण गंभीर स्थिति श्वास प्रश्वास क्षेत्र का दूसरे दर्जे का जीवाणु संक्रमण है, जैसे कि ब्रांगकाइटस (वायुमार्ग का संक्रमण) या न्यूमोनिया। ये संक्रमण अधिकतर लोगों में प्रतिजैविक (ऐन्टिबायोटिक) द्वारा पूरी तरह से ठीक हो जाते हैं, लेकिन कभी कभी ये संक्रमण जानलेवा भी बन सकते हैं।

टीकाकरण

स्वाइन फ्लू के लिए टीका विकसित किया गया है। यह टीका ब्रिटेन और अमेरिका जैसे देशों में उपलब्ध है, लेकिन अभी तक भारत में उपलब्ध नहीं है। अमेरिका में जिन लोगों को स्वाइन फ्लू का टीका लेने की सलाह दी गई है, वे हैं :–

गर्भवती महिलाएं : चूंकि गर्भवती महिलाओं की स्थिति में जटिलता की सम्भावना काफी रहती है, और साथ ही यह भी माना जाता है कि उसे टीका देकर उस गर्भस्थ शिशु तक भी सुरक्षा पहुंचाई जा सकती है, जिसे 6 महीने की उम्र तक टीका नहीं दिया जा सकता है।

महीने की उम्र से कम उम्र के शिशुओं के पारिवारिक सदस्य या उनको संभालने वाले लोग – चूंकि गर्भवती महिलाओं को संक्रमण की सम्भावना काफी रहती है, और साथ ही यह भी माना जाता है कि उसे टीका देकर उस गर्भस्थ शिशु तक भी सुरक्षा पहुंचाई जा सकती है, जिसे 6 महीने की उम्र तक टीका नहीं दिया जा सकता है।

शिशुओं के पारिवारिक सदस्य या उनको संभालने वाले लोग – चूंकि शिशुओं में संक्रमण की सम्भावना काफी रहती है, और साथ ही उसे 6 महीने की उम्र तक टीका नहीं दिया जा सकता है। यह माना जाता है कि उस शिशु के आसपास रहनेवाले लोगों को टीका लगाने से संभवतः शिशु को वायरस का खतरा कम हो जाता है।

स्वास्थ्य सेवा तथा आपातकालीन सेवा के कर्मचारी गण – स्वास्थ्य सेवा तथा आपातकालीन सेवा के कर्मचारी गणों में संक्रमण की सम्भावना काफी रहती है। साथ ही वे संक्रमित होने के बाद संभावित मरीज़ों को संक्रमित कर सकते हैं।

फ्लू से पीड़ित रोगी को नाक, कान, साइनस और छाती का कन्जेशन हो सकता है। ऐसे में इसके कारण दर्द भी हो सकता है। 'एसिटेमिनोफेन' या 'इबुप्रोफेन' दर्द को कम करने में मदद कर सकती है लेकिन फिर भी आपके या आपके बच्चे के लिए कुछ भी उपचार लेने से पहले अपने चिकित्सक से संपर्क ज़रूर करें। 4 साल से कम उम्र के बच्चे को कोई कफ या ठंड के लिए दवा ना दें।

एड्स फैलने के कारण, लक्षण और बचाव

डॉ. विपिन कुमार सिंह
चिकित्सा अधिकारी
(चिकित्सा महानिदेशालय)

1 दिसंबर विश्व एड्स दिवस के रूप में मनाया जाता है। एड्स एक खतरनाक बीमारी है, मूलतः असुरक्षित यौन संबंध बनाने से एड्स के विषाणु शरीर में प्रवेश कर जाते हैं। इस बीमारी का पता काफी देर बाद चलता है और मरीज भी एचआईवी टेस्ट के प्रति सजग नहीं रहते, इसलिए अन्य बीमारी का भ्रम भी बना रहता है।

एड्स (AIDS) का पूरा नाम है 'एक्वायर्ड इम्यूनो डिफिशिएंसी सिंड्रोम' है। न्यूयॉर्क में 1981 में इसके बारे में पहली बार पता चला, जब कुछ 'समलिंगी यौन क्रिया' के शौकीन अपना इलाज कराने डॉक्टर के पास गए। ईलाज के बाद भी रोग ज्यों का त्यों रहा और रोगी बच नहीं पाए, तो डॉक्टरों ने परीक्षण कर देखा कि इनकी रोग प्रतिरोधक क्षमता खत्म हो चुकी थी। फिर इसके ऊपर शोध हुए, तब तक यह कई देशों में जबरदस्त रूप से फैल चुकी थी और इसे नाम दिया गया 'एक्वायर्ड इम्यूनो डिफिशिएंसी सिंड्रोम' यानी एड्स।

1 ए– यानी एक्वायर्ड यानी यह रोग किसी दूसरे व्यक्ति से लगता है।

2 आईडी– यानी इम्यूनो डिफिशिएंसी यानी यह शरीर की रोग प्रतिरोधक क्षमता समाप्त कर देता है।

3 एस– यानी सिंड्रोम यानी यह बीमारी कई तरह के लक्षणों से पहचानी जाती है।

विश्व में ढाई करोड़ लोग अब तक इस बीमारी से मर चुके हैं और करोड़ों लोग अभी भी इसके प्रभाव में हैं। अफ्रीका पहले नंबर पर है, जहाँ एड्स रोगी सबसे ज्यादा हैं। भारत दूसरे स्थान पर है। भारत में अभी 1.25 लाख मरीज हैं और प्रतिदिन इनकी संख्या बढ़ती जा रही है। भारत में पहला एड्स मरीज 1986 में मद्रास में पाया गया। भारत में इंटीरियर में चले जाएं तो वहाँ डॉक्टरों तक को पता नहीं कि इसकी जाँच कैसे की जाती है और ईलाज कैसे करना है। मरीज को कहाँ भेजना है तथा इसकी रोकथाम के लिए क्या उपाय जरूरी हैं। यदि कहीं पता चलता है कि फलां व्यक्ति एड्स रोगी है तो उसे लोग समाज में हेय दृष्टि से देखते हैं, उससे परहेज करते हैं, भेदभाव करते हैं। एड्स अपने आप में एक पृथक बीमारी न होकर कई विकृतियों और बीमारियों के लक्षणों का एक समूह है।

भारत में यह बीमारी असुरक्षित यौन संबंधों के कारण फैल रही है, इसका प्रतिशत 85 है। भारत में ड्राइवर इसे तेजी से फैलाने का काम कर रहे हैं। कई लोगों को इसकी जानकारी नहीं है कि यह किस तरह फैलती है और इससे बचने के लिए क्या उपाय करना चाहिए। अमेरिका में समलैंगिकता के कारण यह तेजी से फैली।

योनि मैथुन की बनिस्पत गुदा मैथुन इसे फैलाने में ज्यादा सहायक होता है। इसका कारण यह है कि गुदा की म्यूकोजा यानी झिल्ली अत्यंत नाजुक होती है और झिल्ली क्षतिग्रस्त होने पर वायरस खून में शीघ्र पहुंच जाते हैं।

यहां तक कि पढ़े–लिखे लोगों को भी पूरी जानकारी नहीं है कि यह कैसे जकड़ती है, वे हाई सोसायटी महिलाओं के संपर्क में आकर इसके शिकार हो जाते हैं। शिक्षित वर्ग को यह भी नहीं मालूम कि बायोलॉजिकल, आर्थिक व सामाजिक रूप से महिलाएं ही इस रोग की शिकार ज्यादा होती हैं और वे ही इसे दूर फैलाने में सहायक सिद्ध होती हैं। पुरुष की अपेक्षा स्त्री में इसके 20 गुना ज्यादा संक्रमण होने की आशंका होती है।

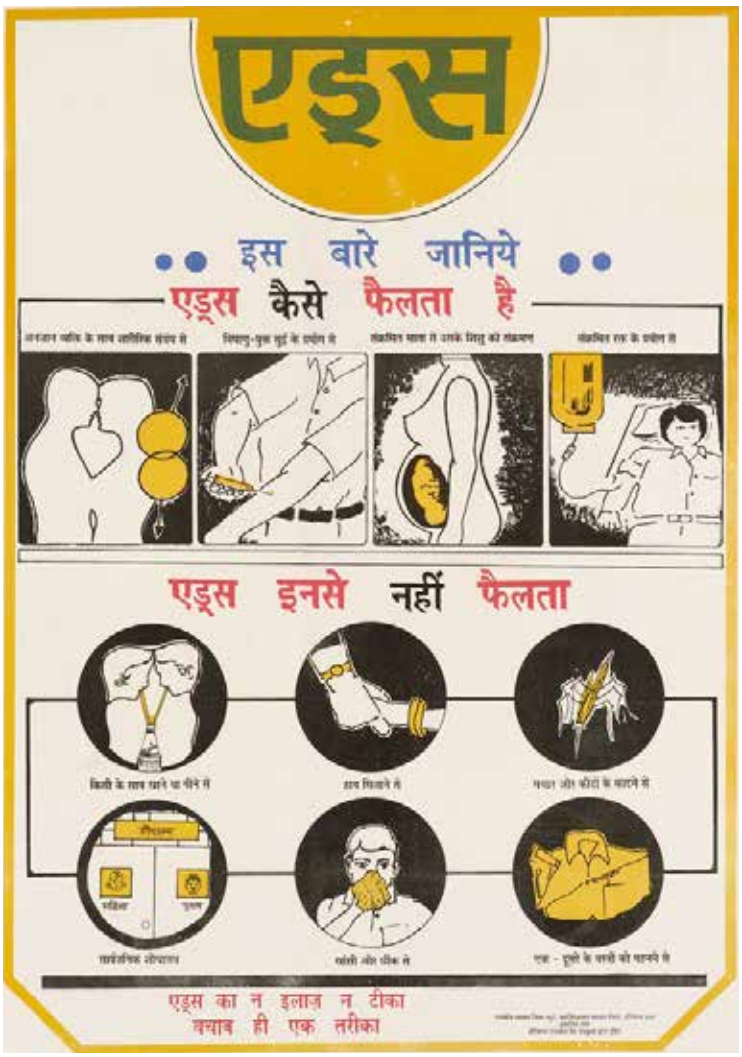

एड्स वायरस की जानकारी

1 यह रेट्रो वायरस ग्रुप का एक विचित्र वायरस है, यह आरएनए के दो स्टैंडों से युक्त होता है, जो रिवर्स टासक्रिपटेज की सहायता है डबल स्टैंड डीएनए में परिवर्तित हो जाता है और फिर कोशिकाओं के डीएनए में हमेशा के लिए सुप्तावस्था में पड़ा रहता है।

2 एचआईवी वायरस के शरीर में प्रवेश करने, शरीर में सुप्तावस्था में रहने की क्रिया, एचआईवी संक्रमण कहलाती है, इस अवस्था में इंफेक्शन तो होता है, किन्तु बीमारी के लक्षण नहीं होते। संक्रमण को बीमारी की अवस्था में पहुंचने में 15 से 20 वर्ष लगते हैं।

3 कई वर्षों बाद यह मानव शरीर में पड़ा रहता है और अपनी संख्या बढ़ाता रहता है, दूसरी ओर मावन शरीर की रोग प्रतिरोधक क्षमता खत्म करता जाता है।

4 जब रोग प्रतिरोधक क्षमता खत्म हो जाती है तो फिर यह जागता है और अपना आक्रमण शुरू करता है। साथ ही शुरू होता है वह समय, जब मरीज धीरे–धीरे मौत की ओर जाने लगता है। मरीज की मौत के साथ ही यह उसके शरीर से समाप्त होता है।

एड्स फैलने के कारण

1 असुरक्षित यौन संबंध इसका सबसे प्रमुख कारण है, इससे एड्स के वायरस एड्स ग्रस्त व्यक्ति से स्वस्थ व्यक्ति में तुरंत प्रवेश कर जाते हैं।

2 बिना जांच का खून मरीज को देना भी एड्स फैलाने का माध्यम होता है। खून के द्वारा इसके वायरस सीधे खून में पहुँच जाते हैं और बीमारी जल्दी घेर लेती है। आज एड्स जांच केन्द्र देश के गिने–चुने स्थानों पर ही हैं, लेकिन कितने लोग अपना टेस्ट कराकर खून दान करते होंगे?

3 नशीले पदार्थ लेने वाले लोग भी एड्स ग्रस्त होते हैं। वे एक–दूसरे की सिरींज–निडिल वापरते हैं जिसे सुई कहा जाता है। उनमें कई एड्स पीड़ित होते हैं और बीमारी फैलाते हैं।

4 यदि मां संक्रमित है एड्स से, तो होने वाला शिशु भी संक्रमित ही पैदा होता है। इस प्रकार ट्रांसप्लांटेशन संक्रमण से भी एड्स लगभग 60 प्रतिशत तक फैलता है। बाकी बचा 40 प्रतिशत मां के दूध से शिशु में पहुंच जाता है।

एड्स के लक्षण

एड्स के कोई खास लक्षण नहीं होते, सामान्यतः अन्य बीमारियों में होने वाले लक्षण ही होते हैं, जैसे– वजन में कमी होना, 30–35 दिन से ज्यादा डायरिया रहना, लगातार बुखार बना रहना प्रमुख लक्षण होते हैं। एचआईवी नामक विषाणु सीधे श्वेत कोशिकाओं पर आक्रमण कर शरीर के अंतस्थ में उपस्थित आनुवंशिक तत्व डीएनए में प्रवेश कर जाता है, जहां इनमें गुणात्मक वृद्धि होती है। इन विषाणुओं की बढ़ी हुई संख्या दूसरी श्वेत कणिकाओं पर आक्रमण करती है। इससे धीरे–धीरे इन श्वेत कोशिकाओं की संख्या घटती जाती है। इसके फलस्वरूप शरीर का प्रतिरोधी तंत्र नष्ट हो जाता है और दूसरे संक्रामक रोगों से बचाव की क्षमता भी क्षीण हो जाती है।

Urban Naxals

The infiltration of naxalites from Compact Revolutionary Zone (CRZ) to urban Centres of India is the latest development in Maoist Scheme. While enlisting of cell for military activities is focussed on rural belts of India, the metropolis have become their marks for enlisting of sympathizers and logistic support.

"Urban Naxals are educated people in academia, media, NGOs and urban civil society in India who support violent insurrection against the State. They are often motivated by a violent-Left ideology and seek to achieve their objectives via coordinated violence rather than by democratic means. While the Naxalite movement is often associated with remote tribal areas, Urban Naxalism is a phenomenon in cities and urban centres."

In January 2018, the ATS Maharashtra arrested seven CPI-Maoist cadres from various places in Thane District of Maharashtra. CPI-Maoist cadres were indoctrinating youths in slum pockets and collecting finances for the GCC, which includes Maharashtra and Gujarat and seized Naxal literature and documents. CPI-Maoist cadres were led by Venugopal, 'District Committee Secretary' in CPI-Maoist. He was active in trade unions in Mumbai to spread CPI-Maoist ideology and was carrying a reward of INR 8,00,000 announced by Telangana Government.

In June, 2018, Maharashtra police arrested Sudhir Dhawle, Dalit Activist from Mumbai, Surender Gileding, Human right lawyer, Mahesh Raut and Soma Sen, Asst. Professor in Nagpur university form Nagpur in connection with Bhima Koregoan incident.

In September 2018, the multi-city raids and subsequent arrests of several prominent activists by Pune Police which claimed that they were involved in the Bhima Koregoan violence has stirred a massive outrage across the country. The Pune Police arrested poet Varvara Rao in Hyderabad, activists Vernon Gonzalves and Arun Ferreira in Mumbai, trade unionist and lawyer Sudha Bhardwaj in Faridabad and civil liberties activist Gautam Navalakha in Delhi.

Grounds for Urbanisation of LWE

The CPI (M) has decided to distribute its tentacles in Urban areas for the below mentioned reason: -

- Break of the province power and the administrative machinery of the authorities.
- Opportunity to act upon the extremely concentrative working category to foster their motion.
- Availability of educated manpower holding assorted types of capabilities, indispensable for the people's war.

- Exploitation of dialectical relationship between the development of the urban motion and the development of the armed agricultural radical ward.
- **Logistic support**

  1) Supplies or contacts for supplies of weaponries and ammo, trim parts, medical supplies, etc. are easily available in the urban areas.

  2) Technical aid in the signifier of fixes and care of combat, communicating and other equipment of the PLGA, development of new engineering for the people's war are easily available in urban areas.

  3) Propaganda and publications to carry through the demands of the rural motion is besides available in the urban areas.

Action against them in Metropolitan cities: -

Delhi

- Kobad Ghandy, in charge of South Eastern Regional Bureau and sub-Committee on Mass Organisations (SUCOMO), was arrested from New Delhi in Sep 2009.
- Rona Wilson was arrested by Pune police in June, 2018 in connection with Bhima Koregaon incident

- Minister of State for Home, Jitendra Singh told the Rajya Sabha in Aug 2012 that "A figure of 'front administrations' of the banned CPI-Maoist had organised demonstrations/agitations back-upping the cause of the workers of the Maruti mill. Their aim was basically to work the state of affairs to derive a bridgehead among the working category in the National Capital (NCR)"

Kolkata

- Kanchan alias Sudip Chongdar, West Bengal State Secretary of CPI (M) was arrested in Dec 2010 from Kolkata.
- State commission leader Telugu Deepak alias Venkateshwara Reddy was arrested in Mar 2010 from Kolkata.

Main objectives of CPI (M) in Urban Area: -

Work in the metropolis and towns involve a figure of undertaking. All these undertakings can be combined under the mentioned aims:

a) Mobilise and Organise the Masses. This is the Chief activity of the Party. It is the Party's undertaking to organize the job category, every bit good as other categories and subdivisions like the semi-proletariat, pupils, in-between category employees, intellectuals, etc. It besides has the undertaking of covering with the jobs of particular societal groups like adult females, Dalits, and spiritual minorities and mobilising them for the radical motion.

b) Build the United Front. This involves the undertaking of uniting the working category, constructing worker-peasant solidarity and confederations, unifying with other categories in the metropolis, constructing the foreparts against globalization, against Hindu fascism, against repression, etc.

c) Military Tasks. While the PGA and PLA in the countryside execute the Chief military undertakings, the urban motion excessively performs undertakings complementary to the rural armed battle. These involve the sending of cell to the countryside, infiltration of enemy ranks, forming in cardinal

industries, sabotage actions in coordination with the rural armed battle, logistical support, etc.

Future of Urban LWE

India has a larger proportion of the population in urban areas and a much larger working category than at the clip of the Chinese revolution. This increases the comparative importance of urban work in the peculiar conditions of the India revolution.

It is reasonably easy for the Maoists to set up bases in urban centres. As a well-known authorization of the Maoist motion, Srinivas Reddy said "because of the namelessness it accords, it becomes easy for the Maoists to remain and run in urban Centres". An urban presence serves the Maoists in supplying remainder and convalescence, providing to their logistics demands and mobilization (aiming pupils, young person and industrial workers).

The current tendency of naxal activities in urban centres brings out the assorted types of mass administrations of urban motion. These administrations are: -

(a) Secret Revolutionary Mass Organisations: These organisations remain purely underground and propagate the Party's radical line among the multitudes bestirring them for armed battle. They openly call upon the multitudes to take part in the people's war, propagate the cardinal undertaking drawn up by the Party at any given clip, in secret from the multitudes into battles and straight function as the base for enlisting for the Party and the people's war. They perform import undertaking of propagating the Party line among assorted subdivisions of the multitudes.

(b) Open and Semi-Open Revolutionary Mass Organisations: They openly propagate the political relations of New Democratic Revolution and fix the people for armed battle.

(c) Open Legal Mass Organisations: They are formed on an expressed political footing with some or all facets of an anti-imperialist, anti-feudal programme, and with a programme of action and signifiers of battle that loosely fall within a legal model.

CRPF: Adorning an unfamiliar Avatar

In addition to being main stay of Anti Naxal Operations in Jharkhand, CRPF has been conspicuously involved in developmental activities undertaken in Naxal affected remote locations. Be it extending health facilities, assisting in various infrastructural projects, CAP programmes or out of the box electrification initiatives, CRPF has been omnipresent in aid of the administration.

Formidable illustration of this magnificent coordination is currently on display in recent circumstances of the state. With Para Teachers on state wide strike, insisting on acceptance of their demands, schools were facing a literal blackout. This break out of unwarranted scenario has led to an almost collapse of education machinery in the State. Teachers' hitting the streets is a taxing scenario, which not only has law and order repercussions, but also have deep rooted manifestations over the future of GenNext. With regular classes taking an extensive hit in schools, educational activities faced a considerable brunt, mostly in rural and semi-urban areas.

Sensing this imbroglio, CRPF has decided to intervene in a major way. Primarily dealing with Guns and Explosives, they undertook an unfamiliar charter of Pen and Chalk. Though they have been perpetually involved in teaching activities here and there to help the needy and marginalised in Naxal affected remote locations, this time it was combined effort put together, of all the CRPF Units in the State

Ram Saran Yadav, Principal of Rajkiyakrit Madhya Vidyalaya in Kedla of Ramgarh district confessed while talking to media that they were facing severe difficulties in conducting regular classes' post all 5 of his Para teachers went on strike. He further intimated that personnel of 26 Bn CRPF deployed there undertook teaching initiative in the school and now routine activities have resumed with full throttle.

Even students are jubilant that they don't have to suffer the boredom of empty classes. Interacting with journalists in Kedla, they expressed gratitude towards CRPF men for devoting their leisure time by teaching them in school.

On being contacted, Shri Sanjay Anand Lathkar, IPS, IG, CRPF intimated that CRPF Jawans & Officers have been engaging themselves in teaching activities in various Schools in the vicinity of their respective Camps, enabling the students to benefit by this pursuit. He further added that in just couple of days, they have managed to stream roll routine activities in 85 Schools spread across 18 districts where CRPF is deployed in the state. Assuming this self assumed responsibility, he was hopeful of extending this initiative in more Schools affected by the stir, without compromising their core operational duties.

By guiding students to remain in sync with studies, away from the existing hassle of strike, CRPF is truly winning hearts and minds of the people.

CRPF Public School, Rohini celebrates its 30th Anniversary

Inculcating the right attitude in positivity, excellence, hard work and discipline is the test of real education. Addressing the students of the CRPF Public School, Rohini, at its 30th Annual Day function on 7th December 2018, Sh. Rajeev Rai Bhatnagar, D.G., CRPF and the Chief Guest of the occasion said that the school has been promoting well-grounded education while subsuming extra-curricular activities. Sounding a word of caution to the students and the parents, Sh. Bhatnagar said that all concerned must guard against the lure of the digital world. Advising the students on this, Sh. Bhatnagar said that they must reach out to the real world instead of keeping them captive in the virtual world. He urged the parents to be vigilant on the progress of their children in the school.

On the occasion, Chief Guest Sh. Bhatnagar awarded certificates to the meritorious students who had excelled in academics and other co-curricular activities. Dr. (Smt.) Manu Bhatnagar, President, CRPF Family Welfare Association who graced the occasion as the Guest of Honour, released "SRIJUN"- the annual school magazine.

While the annual day function, which was packed to its capacity, was preceded by presentation of the annual report card of the school by Mrs. Nidhi Chaudhary, Principal, the enthusiastic students of the school left no stone unturned in impressing the gathering with their inimitable song and dance performances. Cultural shows like 'Dancing Diamonds' by the tiny tots, together with the prayer dance 'Tryst with God' and 'Euphoria' kept the dignitaries, parents, guardians and the students at large, glued to their seats through the entire duration of the function.
