The troops gathered their courage and advanced ferociously at the insurgents positions firing heavily at them. A fierce gun fight took place which resulted in severe injuries on both sides. The troops ultimately succeeded in uprooting the well entrenched insurgents and the insurgents fled from the area carrying their injured and slain cadres. In the fierce head to head counter attack, eleven brave troopers of CRPF laid down their lives for the honour of their motherland.

[WARRIORS REMEMBERED]

Vol 3 1998-2004

'Warriors Remembered', a compendium of four volumes, is an endeavour by the Force to compile the heroic deeds as well as the personal details of 2014 brave men and women of the Central Reserve Police Force who have made the supreme sacrifice in the line of duty, both in India and overseas. The previous compilation was published in 2000. Much has happened since then, and therefore, it was important that their brave deeds are immortalized before they fade from our memories. The Hon'ble Prime Minister Shri Narendra Modi had also called upon the police forces of the country to enlighten the people about the contribution that the brave men and women of these forces have made to the nation.

With an enormous and a diverse history of 76 years (1939- 2015), preserving records has been a challenge owing in part to the nomadic nature of the Force. Therefore, a great deal of effort and perseverance has gone into painstakingly compiling the details of those who had laid down their lives in the line of duty. Memories were rekindled and records revisited to ensure fidelity of the narratives as well as other details. While family members would be given a copy to be preserved for posterity, readers would be enlightened about the brave deeds of the personnel of the Central Reserve Police Force.
